DUKE HONORED IN VANCOUVER

Brilliant Reception Marks Completion of Trip to Coast—Duke's Hearty Appreciation.

VANCOUVER, Sept. 18.—(Can. Press.)—With perfect weather Vancouver presented a brilliant spectacle as the governor-general, the Duchess of Connaught and Princess Patricia made their entry here amid the cheers of the tens of thousands of people who thronged the streets through which the royal visitors proceeded on their way from the station to the courthouse, where the civic address of welcome was presented.

With the guard of honor, the Duke of Connaught's own regiment standing at salute, and with the regimental band playing the national anthem, the royal train arrived at 2 o'clock. Taking their places in the carriage waiting near the platform, the royal guests, escorted by a detachment of the British Columbia Mounted Horse, proceeded on their tour of the city.

The duke said in replying to the mayor's speech: "My arrival here may be said to mark a period of special interest for me in my official service as governor-general, for I have as such crossed the continent for the first time. I shall have great pride in informing His Majesty the King, when I convey to him your message of loyalty and devotion, of the splendid spirit which prevails in Vancouver, and I can assure you of the deep satisfaction which this will afford him."

The royal party were taken on a motor tour around Stanley Park, after which the duke called upon Sir Charles Tupper at the residence of Sir Charles Herbert Tupper. Tonight the duke was the guest of officers of the 6th Regiment, the Duke of Connaught's Own Rifles.

NEW ZEALAND TO FOLLOW CANADA. LONDON, Sept. 18.—(C.A.P.)—The Times' Wellington correspondent wires that in the house of representatives yesterday Hon. Mr. Myers asked the premier whether the time had not arrived when New Zealand should follow Canada and ask representation by a minister at the imperial defence committee. He suggested the difficulty of distance could be overcome by the appointment of a minister for external affairs. Premier Massey replied that the government would seriously consider the matter during the recess with a view of submitting the proposals next session.

Britain Lukewarm to Canada.

LONDON, Sept. 18.—(C.A.P.)—F. E. Smith, M.P., speaking last night at Darlington of his trip to Canada, said: "Today she is anxious to come to an arrangement whereby every ounce of imported manufactured goods should be made by Englishmen, she does not intend to give the manufacturers and workmen of this country an advantage over her own people. This offer was held out when other markets were declining, and there wasn't a single country in the world which wouldn't have accepted a similar offer from Canada. There wasn't a country which had not tried to get far inferior terms from Canada."

PURSUIT LED TO SHEEHAN'S HOME

Waldo's Secretary Kept Him Locked Up, So Private Detective Gives Testimony.

NEW YORK, Sept. 18.—(Can. Press.)—Investigation today by the aldermanic committee of the affidavit made by Police Captain John T. Reth that \$10,000 had been demanded of him as the price of his promotion during Commissioner Bingham's administration, developed testimony associating Winfield R. Sheehan, secretary of Commissioner Waldo, with a man "supposed to be getting graft."

The testimony was given by D. J. Keleher, a private detective, who said he had been assigned in December last by Alfred G. Johnson, the under-sheriff, whom Reth accuses in his affidavit of having demanded the \$10,000 from him, to follow a lawyer named Norton. This man, "by common rumor," he said, was supposed to be collecting graft from his office at No. 115 Broadway. He trailed Norton, he testified, to Sheehan's house. Sheehan discovered him there and kept him locked in while he sent for two detectives: Norton, he said, collapsed.

The grocers will ask the government at the next session of the legislature to amend the act so as to further protect them against "dead beats," many of whom under the present act cannot be garnished.

The association passed a strong resolution denouncing the ever-increasing practice of members of the "Wholesalers' Guild of selling direct to the keepers of boarding-houses, hotels and restaurants, and the secretary was instructed to write the guild in regard to the matter, and to suggest that the two organizations get together in an effort to settle amicably some of the grievances peculiar to the grocery trade.

COBALT CORDIAL TO LIBERAL CHIEFTAIN

People of Silver Town Entered Sir Wilfrid Without Regard to Politics—North Ontario Will Benefit by Wider Markets is Contention of Laurier.

(By a Staff Reporter.) COBALT, Sept. 18.—(Special.)—A typical Northern Ontario welcome, spontaneous in its heartiness and one in which party differences, if not forgotten, were at least thrust into the background, was given Sir Wilfrid Laurier and his lieutenants, faithful in adversity, by the people of Cobalt and vicinity today. A keen desire that the touring party should carry away a knowledge of the needs of North Ontario was in evidence from the hour of their arrival, and up to the climax of the visit, the big meeting held in the rink tonight.

There was little that was noteworthy in the address of Sir Wilfrid Laurier at the evening rally. Rather, it was a reiteration and a further emphasizing of the fact that the Liberal party is still pledged to its policy of reciprocity with the United States, and a lament in the leader's familiar sermo-como vein that the electors had been so sadly deluded a year ago.

Gaillard Sir Wilfrid. Cobalters turned out in force to hear the ex-premier and his colleagues in the Cobalt Athletic Association's rink here tonight, when he again dwelt upon reciprocity and its rejection last year. Many supported him on the platform. "I am pleased to see so many ladies taking an interest in local politics," declared Sir Wilfrid, "and that reminds me that the present premier was approached by suffragettes while in Canada, and if it had been in his position I would have stated that we were not asked on any occasion for the franchise. I listened to many delegations, consisting of women, but not a question of women's suffrage was ever mentioned. One reason, perhaps, is that the Canadian woman is, perhaps, a greater ruler in her own household and can generally have an equal say in her selecting of her husband's political party."

Will Not Retire. When referring to his resignation, the ex-premier stated that the he had reached the age at which he might hand down the leadership to one of his

Sir Edward Carson, president of the Ulster Orange Association, and formerly solicitor-general for Ireland, delivered a fighting speech, in which he declared that home rule was not a question of politics, but was one affecting the very life of the country. Other demonstrations, at which the Ulster leaders will make addresses, are being held throughout the Province of Ulster and will continue for ten days.

Late tonight rioting occurred in the Sandy Row district. Several houses were wrecked and spirits which were abstracted from licensed grocery stores were distributed among the crowd. The police were stoned, but finally dispersed the rioters by baton charges.

The statement that Dineen is sole Canadian agent for Henry Heath of London, England, and Dunlop of New York, guarantees the exclusiveness of the goods handled.
