Inspector Hughes Addresses a Large Meeting at Toronto Junction.

Toronto Junction, Dec. 9.—The property committee of the public school board met on Saturday night and recommended that weather strips be placed on the windows facing north and east of Carlton School, and also passed a number of accounts. The Toronto Junction Gun Club will hold a spoon shoot on Wednesday next. On Christmas Oxy there will be a four-point shoot at 20 blue rocks each. Miss Gardo Penwick was the winner of the Royal Templars medal competition held in Perth-avenue Presbyterian Church on Friday evening. There were five other young men who entered the contest. Grand Councilor Armstrong occupied the chair and Rev. Mr. Reid presented the gold medal.

Weston.

Friday night the social event of the season came off with great eclat. On that evening the Weston Social Club held their annual dance in the Eagle Hall, and the guests from Toronto and Toronto Junction, remembering the very pleasant evening spent last year, turned out in good numbers, despite the fact that the thermometer registered below the zero mark. The hall was prettily decorated with Union Jacks and bunting, and brilliantly lighted by electricity. The floor, which cannot be excelled for dancing purposes in the county, was in perfect condition. The music, supplied by O. R. Orchestra, was all that could be desired, and made the heart of every devotee of Terpsichore beat with a merry pulse. Added to this there was gathered together as fast as they could be of the most charming creations of feminine loveliness as the heart could desire or the eye gaze upon, crowned in the most charming creations. The only drawback from a lady's point of view possibly was that the gentlemen were slightly in the minority. However, if they lacked in numbers they made up for it in energy, and each and everyone had a rattling good time. Among those present were: Mr. and Mrs. W. C. Grubbe and Mrs. Grubbe, Mr. and Mrs. W. C. Grubbe, and Mrs. J. H. Hill, Dr. and Mrs. E. F. Irwin, Mr. and Mrs. F. H. Wilby, Miss Edith Scott, Mr. and Mrs. G. M. Lyons, Mr. Foreman, Miss Blezard, Miss Russell, Miss Hill, Mrs. Conron, Miss Olive Conron, Mr. and Mrs. J. C. Richardson, Miss W. Ward, H. G. Mason, Mr. and Mrs. J. M. Gardhouse, Miss A. Farr, Miss Mabel Farr, Mrs. F. Hill, R. Hill, Mr. and Mrs. R. Widdis, Frank Barker and Miss Annie Barker, Miss Robson, Miss Dow, George Holley, Miss Ada Rowntree, Miss E. Allen, Fred Rowntree, G. T. The W. A. of St. John's Church will hold a sale of work in the schoolroom this evening. Wednesday evening services will be held in St. John's English Church during Advent. The annual election of officers of the Young People's Society of the Presbytery of Toronto will be held on Tuesday night. J. B. Hogate expects a large consignment of horses here this week. G. W. Verrill, who has purchased the house lately occupied by the Rev. R. M. Hamilton, moved into the village on Thursday. Before an audience that taxed the capacity of St. James' Hall to accommodate, Jas. L. Hughes this afternoon delivered a stirring address on the Educational Aspects of the Liquor Traffic. On the platform were all the clergy and public school teachers of the town. Hughes' address evoked great enthusiasm, and at the close a resolution favoring the retention of the local option system was unanimously adopted. The liquor traffic, as pointed out by the speaker, was the worst enemy of education and the greatest hindrance to its free dissemination in all lands. Not alone educational but spiritual and national lines, its presence was ruinous to the best interests of the country.

North Toronto.

Speculation is indulged in as to the candidates the citizens' committee will put in the field for municipal honors. The citizens' committee is promoting moral reform. Hitherto the voting population of the town has been divided on the "local option" law. The hotelkeepers enjoyed the confidence of a large number of citizens, who thought that the hotelkeepers were harshly treated by having local option enforced

in North Toronto. All three hotelkeepers, however, have been fined the second time within one year for breaking the law. Each one's fines with costs amount to at least \$200.

At the police court proceedings on Saturday afternoon Fred Trent of the Bedford Park Hotel was found guilty of having intoxicating drinks for sale at the bar, and was fined \$30 and costs. Wm. Robinson's case of the Outlook Hotel was postponed till next Saturday, owing to two new witnesses produced by the crown.

Altho Special Constable White assisted Chief Morris in conducting a keg of beer at Trent's Hotel on the evening of Oct. 31, Magistrate Ellis would not consider any fee for his services, except 75 cents as witness fees. The magistrate said: "The town is getting the fine; let the town pay him."

Missionary services will be held at the Eglington Methodist Church next Sunday, held at the office of J. J. Brigg, a university student, will preach in the morning, and Rev. Dr. Briggs in the evening.

West York Conservatives. At the meeting of the executive committee of the Conservative Association of West York, held at the office of J. J. Brigg, M.L.A., Saturday afternoon, it was decided to hold the annual meeting for election of officers, followed by a banquet at Weston on Jan. 12.

Bracebridge. A number of taxpayers of Bracebridge division of the County of York held an organization meeting at Dufferin-street School for the purpose of forming a ratepayers' association. The following officers were elected: President, W. G. Carter; vice-president, Samuel Robinson; secretary, Edward Minnis; treasurer, J. W. Finlay.

Norway. A largely attended meeting of the ratepayers of divisions 1 and 2 was held in the Norway school house on Saturday evening when the annual election of officers took place. The following officers were elected: President, Samuel Wilson; vice-president, Mr. Fry; secretary-treasurer, John O. Jones; and the following members were appointed to the executive committee: Mr. Brown, representing the ratepayers; Mr. Jones, representing the ratepayers' association; Mr. J. W. Jackson, representing the ratepayers' association; Mr. J. W. Jackson, representing the ratepayers' association; Mr. J. W. Jackson, representing the ratepayers' association.

Riverdale. W. F. Dixon, a student from Victoria University, conducted services in Broadview Congregational Church yesterday. The Young Men's Christian Clubship Club, organized in connection with the church, will hold their annual concert in the church on Thursday evening, Dec. 13. A benefit concert and ladies' minstrel show in aid of a sick member of the local C. O. C. F. lodge, will take place in Dingman's Hall to-morrow evening. Woodgreen Methodist Church choir concert takes place to-night in the church. The Cleveland new residence on Broadview-avenue, just south of Gerard-street, is completed, and Dr. Gallagher's \$100 residence on the corner of Broadview and Langley will soon be ready. At the meeting of the Riverdale Business Men's Association, which met in the Canadian Bank of Commerce this afternoon, the question, among others, of improved services to the district was discussed. The price of rents has materially advanced in Riverdale within the last six months, and renewals of leases in several cases for both dwellings and shops have been made at an increase of 25 per cent.

Balmy Beach. The Rev. Mr. McIntyre, recently appointed to the parish of Balmy Beach, conducted three services and a number of baptisms in the church yesterday. At 11 a.m., and again at 7 p.m., he conducted services. At 2.30 the baptismal service was performed, followed by a children's service, in the presence of a large number of these the attendance was above the average, at the evening meeting 120 persons were present. In the correspondence of the last year the number present was 80. It is stated on behalf of those who endorse the appointment of Mr. McIntyre, that he is a man of high character, and that his name, as Bishop Sweetman approving his selection.

East Toronto, Dec. 9.—An important meeting of the town council will be held to-morrow night. The question of an electric franchise will be taken up. The first curling match of the season took place at the Aberdeen rink on Saturday afternoon.

The new buildings on Lansdowne-avenue under erection for the Toronto Type Foundry, are nearly completed. Frank Abbott will probably be a candidate for the council in Ward 3. The contest for mayor will be a close one. An attempt will be made to induce Mayor Richardson to offer himself for re-election. Councilor John McR. Ross and John Louder are candidates.

Family Given \$3500. Winnipeg, Dec. 9.—The family of William Neal, one of the C. N. R. wreck victims, has been paid \$3500 in settlement.

Thomas McLean, commercial traveler of Wingham, Ont., came to town last week. He met Oscar Rinker, another traveler, in an old acquaintance. They were both so overjoyed at the meeting that they began to accumulate a quantity of paint of a vermilion hue, and started out to dash the town. The man from Wingham, Ont., was the first to go under the chair. After showing him away safely Rinker took his money, watch and chain for safekeeping.

Later on, Rinker met some more friends, and they had a game of billiards. The other fellows held the best hands. Playing poker with a "Jag" on is like betting on the slow horses. So Rinker's money went, and with it some of that belonging to the man from Wingham, Ont. The next day Rinker returned the watch and chain and \$5, all that was left of his money.

In the meantime the man from Wingham, Ont., had climbed high on the pedestal of repentance over his reckless spending a few dollars in a night, and feeling sore at himself and everybody else, swore out a warrant for Rinker's arrest on the charge of stealing \$57, which he claims was the balance not returned by Rinker. Rinker was arrested Saturday night by Detectives Muckle and Wallace.

There is a charge against Rinker of passing a cheque for a small amount, for which there were no funds. This happened last October.

Will Entertain in Saginaw. J. H. Cameron, the well-known entertainer, has been engaged by the Saginaw Society of Saginaw, Mich., to appear at their Burns' concert on Jan. 23.

BAR INTERSTATE BUSINESS TO CORPORATION OFFENDERS

Punishment Suggested by Commissioner Garfield—Prosecutions Having Good Results.

Washington, Dec. 9.—The annual report of Commissioner of Corporations James R. Garfield, made public to-day, devotes special attention to the investigations of the transportation of oil and the operations of the Standard Oil Company.

"During the investigation of the oil industry," said the report, "it was discovered that a very widespread system of railway discriminations existed in favor of the Standard Oil Company, affecting very large proportions of the country and resulting substantially in giving to the Standard Oil Company an overwhelming advantage in transportation in almost all sections of the country; that this system had been in existence for a number of years, and that largely by virtue of it the Standard had been able to restrict or eliminate competition throughout many parts of the country, and thereafter reap the benefits of monopoly."

"During the fiscal year indictments containing 815 counts were brought by the various grand juries, as the result of these investigations. A most striking and important result immediately followed the investigation of the bureau; the railroad canceled substantially all the secret rates, illegal or improper discriminations; and in many cases the discriminations in open rates. The shippers of oil advise the bureau that for the first time in many years they are now rapidly obtaining equality of treatment from the transportation companies."

"Work on the other phases of the oil industry and the investigation of the greater and authority of the States over the tobacco, steel, sugar and coal industries are well advanced. Special reports thereon will be made in due course. An enquiry into canal and water transportation has been started."

Commissioner Garfield urges the necessity for the establishment of federal inspection and supervision of the greater industrial corporations engaged in interstate and foreign commerce. He says that it will not interfere with the autonomy of the States over the corporations created under state laws, but is not an invasion of private rights, but will merely restore industrial responsibility and prevent the corporations from being the hiding place of the irresponsible, dishonest or corrupt manager.

Desal of the right to engage in interstate commerce is suggested as the penalty for proven violation of the law. The report says the work of the year strikingly demonstrates the value of efficient publicity for the correction of corporate abuses.

PIANO WORKERS' STRIKE IS SUDDENLY TERMINATED

After 14 Weeks of Struggling, Men Return to Work To-Day on Terms Little Changed.

With the union finances sadly depleted, the Piano Workers on Saturday afternoon after having had conferences with Charles Doid, the international president, since Thursday, decided to throw up the strike and go back to work this morning.

John E. Virtue, the business agent of the local union, made the announcement in the following form: "We are pleased to announce that the heretofore existing differences between the piano manufacturers of Toronto and Toronto Junction and their employees have been amicably adjusted, and to the mutual satisfaction of the parties at interest."

He declined to add to the statement. In the morning it had been announced that the men were still firm, and that a settlement might not be expected for another month. It is understood, however, that, owing to the fact that a good many of the men have not been receiving any of the strike pay of late, the hopelessness of continuing the struggle during the winter was realized, and it was determined to give up.

"During the fiscal year indictments containing 815 counts were brought by the various grand juries, as the result of these investigations. A most striking and important result immediately followed the investigation of the bureau; the railroad canceled substantially all the secret rates, illegal or improper discriminations; and in many cases the discriminations in open rates. DESPONDENT, SO ROBS BANK

Chased by Crowd, and Indiscriminately Shooting Kills Innocent Party

Great Bend, Kas., Dec. 8.—After attempting to rob the J. V. Brinkman Company Bank to-day, single-handed, a man, who gave the name of George A. Lewis of Kansas City, was surrounded and surrendered.

Lewis walked into the bank a few minutes after it opened this morning, and pointing a revolver at Cashier A. E. Taylor, ordered him to throw up his hands. Taylor quickly handed over to him \$50 in bills. In the meantime a clerk unlocked the vault and 25,000 of the burglar alarm. Lewis fled immediately and darted up an alley. A crowd of men and boys soon gave chase, and seeing himself being hemmed in, the robber ran upstairs over the Wells-Fargo Express building, several squares from the bank. Locking himself in a room on the second floor, he defied arrest for an hour.

Several shots were fired into the room in an attempt to dislodge the robber, but bullet struck and instantly killed Driver Bud Westfall, who was in the express office on the street floor.

Finally, after parleying for an hour with his pursuers, Lewis surrendered, and was taken to jail, and the money was recovered.

He said he had made contributions to eastern magazines and papers, but his matter had been rejected, and he had become despondent. He wept as he told his story.

HYDRANT WAS FROZEN.

Hampered Firemen a Little Bit at College Street Blaze.

There was a fire last night in the driving shed of Undertaker A. W. Miles, 282 College-street. The firemen were promptly on the spot, but found some difficulty in getting water, as the first hydrant, at College and Borden-streets, was frozen. They found another one that wasn't, and soon stopped the flames. The damage was \$100.
