And once he enters a man it is difficult to dislodge him. At a meeting of the Executive Committee of the Canadian Conference of Charities and Correction, held on Thursday evening, it was decided to hold the next convention in June. The gathering will take place in the Normal School about the middle of the month, a committee being appointed to make definite arrangements, Hon. Charles Drury presided. Among those present were: Dr. Herriman of Lindsly, Mrs. Tilley of London, James Massie, Warden Gilmour, J. J. Kelso, Dr. Rosebrugh, Rev. Mr. Schofield of Brantford, F. Spencer and Mrs. Forsyth Grant. The object of the conference is to promote a popular knowledge of and interest in sociological questions. Miss S. Lawson, of Moncton, N.B., happy in the possession of a new found treasure,

There's nothing like hope to keep people happy. Hope buoys up the spirits and helps to clear away the clouds. There are thousands of people in Canada to-day hoping that their health will soon return—hoping for a cure of Canada to-day hoping that their health will soon return—hoping for a cure of Constipation which has troubled them so long—hoping for headaches to vanish, for stomach to cease giving distress.

Miss S. Lawson, of Moneton, N. B., was sick and ailing and had her hopes of health realized through the use of Laxa-Liver Pills. This is what she says:

"I gladly testify to the virtues of Laxa-Liver Pills. I used to be troubled with severe headaches and constipation for a long time, and took these pills

for a long time, and took these pills hoping for a cure, and my hopes were rapidly fulfilled. I have found them a

never failing remedy, and heartily recom-mend them." When you go to your druggist, ask for Laxa-Liver Pills, insist on having Laxa-Liver Pills and accept no others.

DEAR SIR,—I have been a great sufferer from Piles. The last attack was the most severe I have experienced. For ten days I could neither sit nor stand, and walking was out of the question, so great was my suffering. I could find no relief anywhere until your Pile Ointment was recommended to me. I got a box. I was relieved by the first application. In two days I was able to resume work and felt perfectly cured within a week. I volunteer this testimonial. I desire that people who suffer as I have done may know where to get such prompt relief as I found in the use of Orien's Pile Ointment.
