Russians and French Tangled.
Rome, Oct. 6.—The Tribuna publishes a despatch from Taku, dated October 4, which says that in the attack on Shan Hai Kwan forts a mistake occurred between the Rus.

Macdonald addressed a crowded meeting at twine and on coal oil.

The Liberals have deceived, have lied to the farmers. There is no other word for it. They are claiming to-day to be protectionists—that they have delivered the farmer over to the manufacturers. The farmer sees this, and this is the great point that The Weekly Sun is making. There is, according to that paper, no other thing open to the farmers than to drive out of office the party that promised sians and the French, who fired upon each other, in the belief that they were assailing

Want Danier, as to waether he wait other thing open to the farmers than to drive out of office the party that promised to free them from what they were led to believe was an unjust tax, and which
