Dear Mrs. Pinkham:—

"Gradual loss of strength, nervousness, bearing down pains and extreme irritation compelled me to seek medical advice. The doctor said I had diseased organs and ulceration, and advised an operation if I wanted to get well. I objected to this and decided to give Lydia E. Pinkham's Vegetable Compound a trial. I soon found that all the good things said about this great medicine were true. The ulceration soon healed, backache, headache and nervousness disappeared, and in a short time I was strong, vigorous and perfectly well. I wish every working girl who suffers would try Lydia E. Pinkham's Vegetable Compound."
