Two of America's Greatest

4-Year-Olds Meet at

Pimlico.

Baltimore, May 7.—Cudgel and Omar Khayyam, two of the greatest of America's 4-year-olds, will meet at Pimlico track tomorrow in the \$5,000 Pimlico Spring Handicap. Omar showed by his victory yesterday that he is at the top of his form, and his meeting with Cudgel tomorrow will undoubtedly prove one of the most interesting turf events of the 1918 season. With Hourless on the retired list, it will also give turf enthusiasts a good line on the prospective 1918 turf championship in the mature division of racers.

spective 1918 turf championship in the mature division of racers.
Cudgel has twice this spring proven his fitness to race with Omar Khayyam or any other man's horse, for the best purse offered anywhere, also that he is as cheap a horse at \$30,000, the price Commander J. K. L. Ross of the British Royal Navy, paid for him in Kentucky last autumn, as has been bought or sold in this country in a quarter of a century. This prepossessing son of Broomstick has speed enough for any practical purpose, he is indomitably courageous, and he manages weight as a good horse should. It was no stunt for him to win under a burden of 130 pounds at Pimlico on Saturday, for the best lot of matured campaigners that has appeared under colors all spring, in 1:43 4-5, the fastest time for a mile and 70 yards hung out all year. Cudgel's burden in the Pimlico Spring Handicap will be 127, while Omar will carry 130.

Executive Committee Decides to Readopt the Elimination System-Tournament Limited to 64 Clubs - All Affiliated Organ zations Invited.

Arrangements for staging the annual midsummer bowling tournament of the Western Ontario Bowling Association were made at a meeting of the executive of the W. O. B. A. at the Tecumseh House yesterday. The date of the tourney was set for the 22nd of July. It will be a three-day affair, and will be held on the greens of the London Rowing and Bowling Club.

It was decided to limit the number of entries to 64 out of 99 clubs of the district affiliated with the W. O. B. A. This will eliminate the uncertainty that previously existed in regard to the number of rinks entered for competition in the tourney.

Each of the London Rowing Club; A. A. Langford and A. M. Heaman of the Thistic Club; H. A. Kompass and C. C. Gordon of the Elmwood Club; Nell Mc-Dougall of Petrolea; J. Smiley of Paris, and Messrs. Anguish and Carling of Lambeth.

Swell Attendance.

The decision to limit the tourney to 64 clubs arose out of a suggestion of Mr. Weld to send invitations to the district bowling associations in order to swell the attendance. In previous years it was found difficult to get 64 clubs, but when the affiliated bowling organization of the Elmwood Club; Nell Mc-Dougall of Petrolea; J. Smiley of Paris, and Messrs. Anguish and Carling of Lambeth.

On Elimination System.

The executive decided to run the tourney on an elimination system. In the past two years the qualifying the past two years the qualifying matches and 21 ends for the Labatt tourney on an elimination system. In the past two years the qualifying method has ruled, but it was suggested that a better and more representative attendance would be secured with the re-adoption of the elimination system which was in vogue from the time of the foundation of the W. O. B. A. until 1915.

The meeting was a representative one. J. A. Laing of Windsor, second vice-president, occupied the chair, and the following members of the executive lains, John Macpherson, J. Smiley, J. S. McDougall and E. W. R. Hill.
