SARNIA RUGBY SQUAD IS READY FOR GAME WITH LONDON TEAM

Tunnel City Fourteen Is Strengthened by Return of Two Players.

SARNIA, Oct. 24.—Owing to wet weather the past couple of nights the weather the past couple of nights the beel rugby boys have had to confine beir practices to the collegiste gymbasium. Jimmy Patterson turned out today with the rest of the team for practice. This famous back of the Sarnia team for the past three years had the missortune to break his shoulder blede early this season, and it was thought he would be out of the game for the Saturday game. Chick Garvey was also out after his attack of the "flu," and the Sarnia line was considerably strengthened with these two men. From present indications it would seem that the London lads might either default the game here on Saturday, or have it postponed, in which event the local boys are trying to arrange an exhibition game with the Port Huron high school to be staged here. The Sarnia lads are full of pep and turning out to practice faithfully. Captain Ed. Ferguson believes he can give the London boys the tymming of their young lives.

In a week or so the local team will be up to its strength again. McCormick, Hicks, Weld and Dennis may be on the line-up when the local boys journey to the Tunnel City.

The boys will have a good chance to hold practices at Tecumseh Park next xweek, and get into shape to go up against the Sarnia fourteen.

It has been suggested that the London and Sarnia collegiate play a sudden-death game off at Chatham or

The Officers' team of the Western
Ontario Regiment Baseball League, de-
feated the Sergeants' nine by the score
of 7 to 6, in a close game of ball at
Carling Heights Monday evening.
It was in the ninth frame that the
deciding run was scored. Capt. Aiken
brought in the seventh run.
Pope pitched a good game for the
winners, and Aiken did some good work
behind the bat. Bond did the pitching
for the Sergeants' nine.
The indoor ball seasue will be started
at the armories in a few days. The
game will be played in the evenings.

An Urgent Appeal to All Telephone Users

THE SPANISH INFLUENZA has caused a very serious shortage in our operating force. In order to insure prompt and efficient handling of important Government calls and calls to physicians dealing with the epidemic, the public is requested:

- 1. To make only the most urgent and necessary calls.
- 2. To refrain, as far as possible, from special appeals to managers, whose entire time should be given to the supervision of their central offices.
- 3. To show consideration of those operators who, despite their increased tasks, necessitating overtime work, are loyally giving of their best endeavors.

This is a frank statement of the conditions. We are confident that only a word to the public in such a situation is necessary.

The Bell Telephone Co. of Canada
