Dineen Quality Hats possess a value that's distinctive at first sight and gives plenty of proof in the after-wear.

It has almost passed into a maxim: The man who wears a Dineen Hat is a good man to know.

HARRY MORE TO CONTEST RIDING OF NIPissing

Hon. Frank Cochrane Declines to Run in Silver Country on Mining Policy.

NORTH BAY, April 10.—(Special.)—Conservatives of the new provincial riding of Nipissing, formerly East Nipissing, in convention here to-day, unanimously selected Harry More of Mattawa as their standard-bearer for the coming election.

Charles Lamarche, Conservative, was elected at the last general election, resigning in favor of Hon. Frank Cochrane, who was elected by acclamation at the by-election. Mr. Cochrane is sought as a candidate by the new ridings of Sudbury and Temiskaming, and favors contesting the silver country on his mining policy.

To-day's convention was marked by a large attendance, intense enthusiasm and perfect harmony. The nominations were Hon. Frank Cochrane and Harry More, the former retiring in a peaceable speech, expressing the honor left at being elected by East Nipissing when he entered the Whitney Cabinet and appreciation of the sacrifice of Mr. Lamarche and his supporters in giving him the seat.

Under the circumstances he was proud to endorse the candidature of Mr. More.

The candidate, Mr. More, received an ovation on rising to speak and a brief address, convincing the delegation that no mistake had been made in the selection of a standard-bearer. Mr. More is a fine-looking man of sturdy physique, and speaks fluently French and English. The candidate has been a resident of Nipissing for

25 years, and is well known and respected for his sterling business integrity and genial disposition.

Hon. Frank Cochrane made an excellent speech, outlining the beneficial legislation enacted and planned by the Whitney Government, the advantages of the settler and the miner of New Ontario as compared with the incongruities of the former government's legislation. The new mining act had not received a fair trial as yet, but no one could say that the mining policy of the government was not to the financial advantage of the province. Every assistance was given the prospector in many mining recorders of going to Toronto, as under the old regime the present government's policy regarding timber, mining and agriculture was compared with its predecessor to the great disadvantage of the latter. George Gordon, candidate for the Dominion house, made one of his characteristic speeches and was accorded a great reception.

Other Strong Speeches.
O. Aubin, M.P., Peter White and G. Howard Ferguson, M.P., addressed the delegates in strong, forcible speeches, with the ring of victory in every note. Nipissing Conservatives have no doubts of their candidate's success at the polls by a high majority.

Charged Under Chariton Act.
CHATHAM, April 10.—(Special.)—Thos. Bissell, colored, aged 18 years, was brought before Judge Houston in county police court this morning and was remanded for a week.

C. P. R. Traffic Earnings.
MONTREAL, April 10.—(Special.)—C.P.R. traffic earnings for the week ended April 7, 1908, were \$1,816,000, for the same week last year, \$1,469,000.

DROPS DEAD AT WORK FROM HEART FAILURE

Sudden Demise of John Eadie—Mystery Still in the Death of Wm. Ellis.

WEST, TORONTO, April 10.—While at work about 4 o'clock this afternoon on a new laundry building that is being erected at the corner of Shaw and Bloor-streets, John Eadie, 261 Franklin-avenue, Toronto, dropped down suddenly and expired. He was a bricklayer by trade and was on the scaffold working at the time. Coroner Dr. Fred Winnett of 525 Sherbourne-street, pronounced death due to heart failure. Deceased was about 35 years of age. The body was removed to Speers' undertaking parlors.

The inquest in connection with the death yesterday of William Ellis, 80 Davenport-road, was opened this morning by Coroner Dr. Clendenen. After the jury had been empaneled and the remains viewed, the inquest was adjourned till Thursday evening next at 8 o'clock. It will be held in the police court.

A post-mortem was conducted this afternoon by Dr. Macnamara. When asked to-night what his statement of the post-mortem would disclose, the doctor declined to give any information beyond the fact that he had not yet added his signature to the report. The authorities are uncommunicative regarding the whole affair, but are of the opinion that the man did not die in the spot where the body was found. This, together with Dr. Macnamara's statement that death had occurred some hours previous to the finding of the body, will undoubtedly be enquired into in detail at the inquest.

The offices of the Suburban Railway Company on Keele-street are soon to be moved to 22 West Dundas-street, now in use as a real estate office. A twilight piano recital by some of the pupils of T. Ives, A.T.C.M., will be given on Saturday afternoon at 4 o'clock in the college of music hall. Miss George Rodgers, soprano, of Toronto, will be the assisting vocalist. The public are cordially invited.

The present apartment building on Dundas-street west of Pacific-avenue brings back recollections of the paving operations last fall between Keele-street and Humberside-avenue. Piles of scoria blocks line each side of the road, and the six-inch layer of mud makes the scene very realistic.

The West End Recreation Club will hold a concert and euchre party on Wednesday evening. A boxing exhibition will also be given by several members of the club. The young men of the town will be made welcome. The Collegiate Institute board will meet on Monday evening.

STOUFFVILLE.

Bowlers Organize—I.O.O.F. Brethren Have Fine Time.

STOUFFVILLE, April 10.—On Thursday night, April 9, a very enthusiastic and representative number of bowlers attended a meeting held in Reeve Coulson's office for the purpose of organizing the Stouffville Bowling Club. These officers were elected: Honorary president, C. R. Fitch; president, J. W. Shankel; vice-president, J. S. Dougherty; chaplain, Rev. A. H. Wright; secretary-treasurer, I. A. Freil; skipper, R. P. Coulson, W. A.

Sangster, C. R. Fitch, J. W. Shankel, S. M. Warriner, I. A. Freil. It is expected that the new green of six crosses will be ready early in the season. In the meantime, however, the old green will be used.

The ladies of Christ Church congregation are busy preparing for an attractive sale of aprons and handkerchiefs, also other useful articles on Tuesday, April 21. A dainty tea will also be served from 4 to 5 o'clock. On Tuesday evening Stouffville Lodge No. 384 I.O.O.F. was taken by storm. Some 50 enthusiastic and talented members of Toronto Lodge No. 71 I.O.O.F. were present and in a very impressive and able manner conferred on four candidates the initiatory degrees of Oddfellowship, after which the brethren of Toronto, with twenty others from Naomil Lodge, Markham, were entertained at the Mansion House, when 96 Oddfellows, good and true, sat down to a banquet, which only the host and hostess of the Mansion know how to prepare.

A program consisting of speeches, songs, songs and music was presented. On Wednesday evening, April 9, the Ven. Archdeacon Warren preached at the weekly Lenten service in Christ Church to a good congregation. His earnest discourse was much appreciated. During the offertory a solo was sung by Miss Jessie Lenney, with much expression.

NORTH TORONTO.

Odds and Ends Picked Up in Northern Suburb.

NORTH TORONTO, April 10.—The Sunday school of the Eglinton Methodist Church will celebrate their anniversary on Sunday and Monday next. On Sunday morning Mr. Rutledge of Parkdale will address the school. Rev. J. W. Steward of the Yonge-st. Methodist Church will preach at 2:30 and Rev. T. W. Pickett of Deer Park at 4 p.m. On Monday evening an entertainment will be rendered by the pupils of the school.

The tree-planting committee will meet in the town hall to-morrow (Saturday) evening. It is desired that all those who take an interest in beautifying the town should come to this meeting. Ex-Councillor J. W. Lawrence installed a gas engine in his conservatory of two-horse power capacity for his private waterworks system. He is utilizing his surface draining from around his property. The increase of 35 per cent of the town's water rates will not hurt him materially.

A memorial window of the late Alfred Hoskin has been installed in Christ Church, Deer Park. The window, which will remain veiled till Easter Sunday, when the unveiling will take place. The sock sold at the Davidsville Methodist Church last night was a decided success. The Young People's Society of the Eglinton Presbyterian Church held a successful social at the residence of George Rennie, Smith-avenue, last night.

MIMICO.

Old Resident Says History Repeats Itself.

MIMICO, April 10.—G. K. Powell of the Toronto Public School staff has decided not to spend his summer in Mimico. It is probable that he will enjoy part of the holiday season in the Highlands of Ontario.

Some of the lots on the water front east of Superior-avenue are at present so nearly covered with water that a skidder there might reasonably consider them part of the lake. Instead of \$25 per foot property. This season's unusually high water mark of the lake has produced this, but this is not the first time such has happened at this particular spot. Frank Hendry, sr., who has been acquainted with the lake shore for several years, tells how, many years ago, a stone hooker sailed into this place in the autumn and after wintering there in safety, sailed out again in the lake.

John Grant, chairman of the Railway M.C.A. here, and E. J. B. Chisholm, secretary, are in attendance this week at the association convention being held in Stratford. Mr. Colville, recently of Spadina-avenue Y.M.C.A., and now under appointment to the west, will speak at the meeting at the Y.M.C.A. rooms on Sunday afternoon at 2:30 o'clock to railway men's meeting at the Sunday School, Sixth-street. This meeting, like all the meetings for April, will be an open one for both men and women. This will be Mr. Colville's last visit before going to his new field in the west.

ELLSMERE.

Ladies Will Meet and Discuss Timely Topics.

ELLSMERE, April 10.—The regular monthly meeting of the Agincourt Branch Institute will be held on Monday, April 13, at 2:30 o'clock, at the home of Mrs. R. Purdie, Malvern, Suburbs for discussion: "Planting Week Work." "The Flower Garden." All ladies are cordially invited to be present.

CONCORD.

W. J. Howard of Concord, Ont., late of Markham Township, has sold his 4-year-old Clydesdale stallion, Frido, Prince, to Wm. J. Franklin of Joyceville, Ont., for a handsome price.

NEWMARKET.

Old Boys Hold Meeting—Presbyterians Will Build.

NEWMARKET, April 10.—At a specially convened meeting held in the fire hall to-night to still further discuss the Old Boys' reunion good progress was made and the most encouraging reports generally submitted. The public library has now more than 700 readers.

Rev. Dr. Cleaver of Toronto will shortly lecture in the Methodist Church here.

Sucker fishing is very good in the village stream. In St. John's Anglican Church this week special services are being held every afternoon and evening. W. H. Johnston, Liberal candidate, met with a number of his supporters in the Temperance Hall to-night. Officers were chosen for the three wards and a general campaign mapped out. There was considerable enthusiasm. The Talagons will hold their annual meeting at the Proctor House on Monday evening. A big attendance is requested.
