instant notice. On the whole they were young men ranging in years from eighteen to thirty-five. There was an entire absence of children. The conversation was all about the mines or about freighting down the "branch" all of which is done by packmen and canoes. Some of these men spoke in language that indicated familiarity with the drawing-room, back in the with the drawing-room, back in the older centres of civilization, Investigation proved that many of them the call of it. On other dakes there were several drownings, however, and deaths the converse of Princes have convered from various causes.

The absence of a printing establishment was indicated by the queer advertisements on the walls. One adays await the last call. Only twelve staves are there to-day, but will in-

"Be up-to-date and have your let-ters typewritten by Tom Chitty." Two young druggists were pointed out to me. They had come in with the rush with a stock of \$100 worth of

and banks \$75 a week. Scobie is get- ton 5.50 p.m. will depart at 5.38 p.m.

I dropped into one of the three chartered banks at Gowganda, and asked as to the kind of business transacted. "It is nearly all a deposit business with us," the clerk said. "Men from the turer and dealer in fruit and produce, to recover \$1838.25 balance alleged to money and we carry a great many savto recover \$1838.25 balance alleged to be due by defendants, who carry on business at Regina, on apples sold to them, was tried and judgment given for the plaintiff for \$1507.48 and costs, less costs of counter claim to be set off. Defendant now appeals from that judgment, Appeal argued and judgment reserved.

money and we carry a great many savings accounts. We also make up the pay rolls for various mining thereests. These vary from \$7000 per requests for loans, as no one comes into the mining country without sufficient money to see him thru."

There are real heroes in this country to see him there. There are real heroes in this country whose works of devotion must al-

ways go unrecorded.

A mail carrier whose first name is "Bill," has a sick friend in Gowganda. "Bill," has a sick friend in Gowganda. Three days a week he puts a great mail bag on his back at Long Pointe. This is ordinarily a hard grind over the trail to the post office. But "Bill" makes it harder still by carrying a large can of fresh milk from the stables at Long Pointe to his friend in
