**SAVE \$10**

Go to the big ground floor stores—examine the clothes they sell at \$28 and \$30—then come up here and examine ours.

The "ground floor" stores have to tack on the \$10 extra to pay for their big rents, delivery service, and losses on charge accounts, and every time you pay \$28, you lose that \$10.

We are not much on showy fronts—we don't believe in 'em—but the inside of our shops are neat and clean—if not elaborate—and every garment is in an open rack ready for inspection—and you can see for yourself that they're really genuine \$28 and \$30 clothes.

Our salesmen are instructed never to insist on a sale—so you are as free as though the store were your own. Every day's delay means a loss to you!
