## MISFITS.

Thare are two kinds of men that fear makes phools ov, them who are afrade of nothing, and them who are afrade of every-thing.

I would respekfully say to all thatkl ass, "*who want to be an angell, and with the angels dwell,*" please drop that noshun, and go at sumthing usefull, if the Lord wants enny more angels, he will let yukno in due time.

Civil war iz like a fite in the family, it seldum, if ever, waz known to be healed.

If thare iz no hereafter, kats and dogs are better off than we are.
