WAS TROUBLED
WITH HER STOMACH
FOR FIVE YEARS

Mrs. Samuel Ward, Millerside, Sask.,
writes: "I feel that I must write to you
before another day passes. I am so happy
and so grateful to your splendid medi-
cine, Burdock Blood Bitters, for after an
illness of five years I am better.
I had stomach trouble so bad I could
not bear the smell and taste of food of
any kind, and got so thin and weak I
could not work. I had four doctors who
said I was, but they did me no good. I
was in no pain, but felt so ill, at times
I thought I would die, in fact, all my
friends were sure I could not live many
weeks.

This time last year I saw where a man
was relieved of stomach trouble by Bur-
dock Blood Bitters, so my husband got
me two bottles, but I had no faith in it
after all the different medicines I had
used, but they did me no good. I had
the first two days I must say I began to
feel better, and after the first bottle I
felt so much better I went out a little
every day, but I could not go alone I was
so weak, but I soon got so I could walk
and eat, and have got quite stout.
I am nearly seventy years of age and
I feel better than I have for years, and
am now doing all my housework.
You may make use of this letter if
you wish, as it may be the means of
making others as well and as happy as
I am.

The Montreal bound Maritime ex-

A number of church dignitaries have
presented a memorial to the Archbishop
of Canterbury suggesting the appoint-
ment of a commission to find the basis
of doctrinal agreement on matters
which are the subject of controversy be-
tween different sections of the Church of
England. The primate replied that he
could not comply with the request, but
agreed that their endeavors might use-
fully be employed by the holding of con-
ferences.

The death occurred at Thetford Mines,
Quebec, of Hon. George Robert Smith,
member of the legislative council, Vic-
toria division. He was born at Newark

Many Big Leaguers Will
Unlimber at Hot Springs
Within the Next Few Days
—Some are There Already.

(New York Times)

From the ice-locked fastnesses of New
York and other habitats of zero weather
to the sunny fields of the south is a
long jump, but major league baseball is
preparing to do that same thing within
the next few days. While New York
regards a falling thermometer and looks
upon the snow when it is white, several
Yankees and Giants will be assembling
at Hot Springs, Ark. The Chicago Cubs
will be casting wistful eyes toward the
Catalina Islands. The White Sox pitch-
ers and catchers will be already on the
long, long trail to Marlin, Texas, and
up and down the big league highway
there will be a bustle and business that
have nothing whatever to do with frosts
and snowfalls.

The great Babe Ruth is due at Hot
Springs tomorrow, and when the Bam-

HEART WOULD BEAT
LIKE A
Trip Hammer

Heart trouble, has of late years be-
come very prevalent. Sometimes a pain
catches you in the region of the heart,
now and then your heart skips beats,
palpitates, throbs, or beats with such
rapidly and violence you think it is go-
ing to burst.

You feel weak and dizzy spells, shak-
ing sensations, are nervous, irritable and
depressed, and if you attempt to walk
upstairs or any distance you get all out
of breath.

We know of no remedy that will do
strength and vigor, regulate its beat and
restore it to a healthy, normal condition
as will

MILBURN'S
HEART AND NERVE PILLS

Mr. Chadwick, Delhi, Ont., writes:—
"I had palpitation of the heart, and the
least exercise, such as going upstairs or
up a hill, my heart would beat like a
trip-hammer, and at times I was dizzy-
headed and had a sinking sensation as
if my time were near."

A friend suggested I try Milburn's
Heart and Nerve Pills, so I procured
three boxes, and by the time the first
one was used I began to improve. In
all I took six boxes, and now, although
in my 66th year, I feel like a young girl
no distress or heart-throbbing, and can
walk miles without fatigue. At time of
sickness I weighed 120 lbs, now I weigh
180."
