

THEIR LIVES THE PRICE THAT IS PAID FOR VICTORY

Zaniskillen Station, N. B., Oct. 15.—Word has been received by John H. Gallagher of the death of his brother, Pte. Frank Gallagher, No. 1080186, of the 72nd Canadian Infantry Battalion, on October 6, in the 55th General Hospital, London.

Pte. Gallagher enlisted in 1916 in the 118th battalion and was later transferred to the 250th Canadian Highland.

with the field artillery in St. John, going overseas in April, 1916, and had since been faithfully serving at the front. Sgt. MacLellan was born in Pughwash (N. S.), and previous to enlistment was in the employ of D. P. Lewis, Norton, with whom he had made his home for several years. He is survived by his widowed mother, four sisters and three brothers. One brother, Walter, is with the 8th C. G. R., Borden Barracks, Halifax.

Mrs. Jennie Seath, 14 Frederick extension, has been advised that her son, Private Charles Seath, infantry, has been officially reported admitted to Bethel Green Hospital, Cambridge, October 1, suffering from gunshot wound, right leg, compound fracture. Private Seath went overseas with the 260th Kiltie Battalion, and on August 2 was drafted to the 16th Canadian Infantry Battalion, France. He was formerly employed with Swanton Brothers, Stevedores, this city.

Charles D. Young, recently returned from the front, was admitted to No. 22 Casualty Clearing Station on October 10, dangerously ill from gunshot wounds. Private Young enlisted and went overseas with the 104th battalion. He was wounded in the right hand some time ago, but recovered and went back to the line. On October 10 he was wounded again, and is now reported dangerously ill.

News was received by his parents, Mr. and Mrs. Saunders Patterson, this morning, that Lieut. Ward H. Patterson was admitted to No. 14 stationary hospital on October 11 with enteric fever. Lieut. Patterson enlisted with a western battalion and got his commission overseas. One brother, Miles, is with the 104th, in November, 1917. Lieut. Patterson formerly was a teacher at Rothesay College.

The story of the circumstances under which he died is as follows: Lieut. Patterson was killed in action on October 10, 1918, at the front. He was a member of the 104th battalion, and was killed in action on October 10, 1918, at the front. He was a member of the 104th battalion, and was killed in action on October 10, 1918, at the front.

It is my sad duty to write you and acquaint you with the fact that your husband, John H. Patterson, was killed in action on August 27. A machine gun bullet, which pierced his chest, left him dying in the arms of one of his chums, Private Treen, whom I have asked to write you also. He suffered very little and passed peacefully away. Words cannot express my feelings on the occasion for the great sorrow and loss to you and to your children. May the Heavenly Father console you, and may you find some consolation, little as it might be, in the fact that he laid down his life for a noble cause.

His personal effects were removed from his body and are being forwarded to you through the usual channels. Please accept my very sincere regrets, Mrs. Leary, for you and your children. The scout section of the regiment of which he was a member, feel his loss deeply as his courage and good example upon all occasions have been a great example for them to follow.

I beg to remain, Very sincerely yours, ALBERT J. KELLY, Lieut. Another Princess Pat's Leader Killed. (Montreal Gazette).

Lieut. Colonel Charles J. T. Stewart, D.S.O., who was recently promoted to command of the Princess Patricia's, has been killed in action, according to news received in Montreal, where he had many friends. Colonel Stewart was born in Amherst (N. S.), forty-five years ago. He was educated at St. John's school, Montreal, Bishop's College, Lennoxville, and the Royal Military College, Kingston, and spent a number of years in the service of the North West Mounted Police. He was an all-round athlete and sportsman.

A veteran of the South African war, he joined the P.P.C.L. as a captain when the famous unit was raised, and became noted as a soldier of infinite resource. He was with the Pats in all their heavy fighting, and was severely wounded.

Get the Habit of Drinking Hot Water Before Breakfast. Says we can't look or feel right with the system full of poisons. Millions of folks bethe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles if you could believe these hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infect the bowels, the quick result is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and badly the next, but who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation.

CHILDREN HATE PILLS, CALOMEL AND CASTOR OIL

If Cross, Feverish, Constipated Give "Calmo" a Syrup of Figs.

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, now you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicate "Calmo" Syrup of Figs. Its action is positive, but gentle. Millions of mothers know this for a fact. "Calmo" is a "laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a bottle of "Calmo" Syrup of Figs, which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

ed at St. Eloi in 1915. After convalescence, though he might have been on the list of those to be invalided home, he refused to leave the service, finally returning to the fighting line. He was second in command of the Pats for a considerable time, recently becoming O. C.

Private Victor Nickson, son of Mr. and Mrs. Thomas Nickson, City road, aged nineteen years, a member of the 104th battalion, was killed in action on October 10, 1918, at the front. He was a member of the 104th battalion, and was killed in action on October 10, 1918, at the front.

The names of eleven New Brunswick men appear in the midnight casualty list. They are as follows: Wounded, Gunner Huntingford, Louisville, W. Blair, Starrett, Dorchester; T. McFarlane, Southampton; Lieut. A. Eveleigh, Sussex; Killed in action: Lieut. H. S. Harrison, Moncton; G. Craig, Moncton; W. E. Ward, St. John; E. Willis, St. John; John L. Fairbairn, died of wounds; Corporal J. McManus, Bathurst; Died: R. Daley, St. John.

Melbourne, Oct. 15.—(Canadian Press despatch from Reuters Ltd.)—Hon. William Alexander Watt, acting prime minister, has today sent his yearly income tax, the government will aware that the many who were asked to lend had not subscribed enough. All non-contributors are liable to be prosecuted.

Under the federal scheme of compulsory contributions to the war loans campaign, the federal government has taken over all woolen mills.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyneth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or decaying every man to do what he can to help to win it, and as a member of the government that was formed for the express purpose of conscription, the flower of this country and sending them to the front for \$1.10 a day with very good prospects of being killed, naturally I have not much sympathy with men who refuse to work for \$4 or \$5 a day.

This was the remark of the Hon. Frank B. Carvell, minister of public works on his arrival in Calgary, when referring to the strike of C. P. R. employees.

He stated that it would appear that the labor unions in Calgary had overlooked a third method? he was asked.

"Khaki", promptly replied the minister. Mr. Carvell stated that the necessary machinery would be found for putting this into effect if the men persisted in their strike.

Referring to the Mennonite question, Mr. Carvell stated that in his opinion no man who was fit to bear arms was entitled to exemption in times like these.

"It may require an amendment to the M. S. A.", he said, "and if so I have no objection to making a suggestion for an amendment with that object in view."

CHRISTMAS BOXES FOR THE SOLDIERS. Since the middle of September there have been on an average fifty cases of Christmas parcels for soldiers shipped from headquarters of the New Brunswick branch of the Soldiers' Comforts fund, in the city.

The names of eleven New Brunswick men appear in the midnight casualty list. They are as follows: Wounded, Gunner Huntingford, Louisville, W. Blair, Starrett, Dorchester; T. SPANISH 'FLU' a "Safety First" suggestion for its prevention is to drink every morning a glassful of

Purgative Water. It cleans out and keeps clean the digestive organs and wards off disease.

city's solicitor several questions regarding the taking over of Ritchie street. The latter threw considerable light on the legal aspect of it, after which he withdrew from the meeting.

Commissioner Hilyard presented a letter from the Lockport Pipe Company regarding installing the thirty-six inch main from Manchester's property on the Manawegonish road to Spruce Lake. In the letter the firm explained that they have just about completed a large contract in Winnipeg and as it cost them a considerable sum to bring their machinery into Canada they would be in a position to bring it here during the winter and make an early start in the spring. They said that they would do the work of \$18.80 per lineal foot, and also quoted figures for excavation, etc.

They pointed out that by taking advantage of the present situation they might save the city some \$200,000. That the city would derive benefit from them doing the work, they said, was evident, as they would leave here in wages alone some \$70,000 and another \$80,000 for material to be used in their contract.

Commissioner Hilyard had an idea how much it would cost. The letter replied about \$800,000, but Commissioner Hilyard said that it would probably be nearer \$500,000. He said that Engineer McInnis when he was here figured on renewing the main for the city for an estimated expenditure of \$800,000.

Mayor Hayes said it was doubtful if the minister of finance would give permission for such a large expenditure at the present time.

Motor Fire Apparatus. Commissioner McLellan said that others were talking about expenditures, but that it was time that a few bonds were put out for the purchasing of some fire apparatus. He spoke about motor apparatus, especially business men, if the fire department was motivated.

Mayor Hayes said that with regard to motivating the fire department, installing the new water main to Spruce Lake, etc., he would be well to get the whole thing before the council and they could then decide which was the most needed and which would be done.

Commissioner Fisher reported that he had received a communication from the Telephone Company asking for permission to erect a pole at the corner of Ludlow and Market streets in St. John. This brought forth some discussion regarding steel poles and on a suggestion of Mayor Hayes the question was tabled up the question with the company.

A communication was received from No. 1 Salvage Corps notifying the commissioners that Harold W. Smith had been appointed. On Monday Commissioner McLellan, seconded by Commissioner Bullock, the communication was received and a warrant issued. Another communication was read from the same corps stating that Messrs. S. Drury and James Middles have resigned.

BISHOP IS UPHOLD. Windsor, Ont., Oct. 14.—Denying the petition of malcontent parishioners of Our Lady of the Lake church, at Ford, for the removal of Rev. Father F. X. Laurendeau as rector of the parish, the bishop has upheld the rector.

Catarhal Deafness May Be Overcome

If you have Catarhal Deafness or head and ear noises or are growing hard of hearing go to your druggist and get one ounce of Parnit (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take one tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarhal Deafness or head noises should give this prescription a trial.

Sacred Consistorial Congregation, the highest ecclesiastical court of the Roman Catholic church, in an award, terms of which were made public here calls on all good Catholics of the Ford parish to obey their pastor.

Judgment of the papal court, gives authority to Bishop M. P. Fallon, of the London diocese of the Roman Catholic church, who appointed Rev. Father Laurendeau as parish priest of Ford, to suppress those who resist church authority.

AN ADVISORY BOARD. W. Malcolm Mackay, of Rothesay, and Hon. W. E. Foster, of St. John, have been appointed an advisory board for The Canada Permanent Trust Company in the province of New Brunswick.

WOMAN'S NERVES MADE STRONG. By Lydia E. Pinkham's Vegetable Compound. Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—I would lie awake and get so nervous I would have to get up and walk around in the morning and be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep at night and feel fine in the morning and I am glad to recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERT SULTZ, 608 Olmsted St., Winona, Minn.

well and feel fine in the morning and I am glad to recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong. For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backaches, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.
