For several years it has been the opinion of the experts that Greb would go along to a natural end unless someone discovered a strong legitimate middleweight, one with speed and a snappy punch who would not be bothered by the necessity of making weight.

Delaney is just such a fighter. He is a tall, rangy, young French-Canaddian, with a good punch, with a lot of clever boxing in him and with plenty of experience.

CANADA IS BANKING ON THESE OF CHESTER VASE RUNNERS TO WIN OLYMPIC HONORS

"BILLY" MAYNES

These are the two sensational quarter-mile runners that Canada is banking on to win honors at the Olympic races, which are to be held in Paris in July.

High School to McGill University. It was while at the latter that he developed into a track runner and cleaned up in all of the shorter distances developed into a track runner and cleaned up in all of the shorter distances in the intercollegiate competitions. At his English seat of learning his latest achievement in the world of sport was the winning of the quarter mile intervarsity race between Oxford and and Cambridge in which event he defeated Stevenson, a crack United States runner of repute. After this race Alfred Shrubb, famous coach and middle distance runner, said: "I consider Johnson one of the greatest quarter-milers in the world." As it would interfere with his studies to bring him back to Canada to compete in the trials, the Canadian Olympic committee agreed to place him on the track team and he could join their contingent in England.

track team and he could join their contingent in England.

"Billy" Maynes first sprang intoprominence in 1920 by winning the Maritime 440-yard event on the East End grounds in St. John. He was a dark horse in that race and defeated several well known runners of that day, among them Grant Holmes. From then on, Maynes turned in an unbroken string of victories in meets in 1921 and 1922. Last summer, he was one of the outstanding performers at the provincial track and field champtonships at Sussex, winning the 440 and 880 in handy fashion. At the Maritime meet, he also cleaned up. At the Dominion meet at Halifax last September, Maynes' finish in the 440 after being set back 6 feet is history. Although beaten at the start and badly pocketed near the finish, Maynes made a marvelous finish that landed him in second place, a scant inch behind Vohnson. Johnson was badly winded at the end, while Maynes finished quite strong. Among those who were at the finish tape was P. J. Mulqueen, chairman of the Canadian Olympic committee. Mr. Mulqueen was so strongly impressed with Maynes' ability that he made a special trip to St. John on his way from Europe to tell St. John people that Maynes was a sure fixture for the Canadian team. Maynes is a graduate of the St. John High School, matriculating to St. Francis Xavier University, where he now is in his final year. More than fifty per cent of the cargo going through the Panama canal last year was the United States'.

Snappy Fielding and Heavy Stick Work - Babe Gets Eighth.

New York, May 14—The champion Yankees broke a winning streak of five games by losing yesterday's game to Chicago by 7 to 5. Babe Ruth hit his eighth homer and his mates outhit the Sox, but the latter, with Eddie Collins in scintillating form, reinforced ordinary box work with sharp fielding that included five double plays. In connection with the Epinard series it is gratifying to note the growing strength of the field from which the competitors of the invader must come. Zev and his three-year-old stable companion Mad Play, by their splendid effort in the Kings County Handicap at Jamaica have joined St. James as the leaders to date of the Eastern contingent that may be expected to meet the French champion, while Chacolet has taken her place beside In Memoriam, Wise Counsellor and probably Worthmore as the defenders of the West.

"The other fellow is tough to figure. He's one of those free swingers who looks bad on a ball and then hits the same kind of a ball out of the lot the next time you throw it.

"I have worked on him from every angle and he looks like a pretty good hitter to me. I have found that he usually takes the first ball and I always try to get it over for a strike. Then I start working on him.

"He hits them much better on the inside than the outside of the plate A curve ball doesn't trouble him much unless you all but waste it. I found a half-speed ball was most effective because he takes such a hard swing."

SOME NEW FACES FOR VETS LINE-UP

Only 5 of Last Year's Regulars are Assured of Berths This Year.

Only five of last year's regulars on the G. W. V. A. team in the defunct Two-I. League will return to the line-up this year for the Vets in the N. B. Professional League, according to present plans. These five are Gene Tippetts, pitcher and infielder; Eddie Ramsay, second base, Johnny MacGowan, shortstop, Dick O'Regan, third base, and C. Moore, outfielder. Gilfillan, who caught the majority of games for the Vets in the second series last year, is not expected back, and his place will be taken by a catcher highly recommended by Tippetts. If this catcher can make good, he will be given a trial as playing manager.

At first base, the Vets will lose "Quig" Clark, a local product, and one of the most consistent performers in the league last year. Clark was not only a good fielder but a timely hitter. He finds his contracting business requires all his attention at present and his place will be filled by Gillespie. The latter is working here at present and has had extended experience in Montreal leagues. He is rated pretty high.

Montreal leagues. He is rated pretty high.

Second base, shortstop and third base will be filled this year by the players of last year's team, namely, Eddie Ramsay, MacGowan and O'Regan, with Tippetts filling in in odd games when not working in the box. Young Moore, who started great last year in the batting line but who fell off toward the last, will be back at the outfield job. This boy is not out of his teens yet, and big things are expected of him this year. Moore was hitting them all right toward the fag end of the season, but was usually placing them in the fielders' mitts. Neil Mc-Kinnon, who played left field for the Vets, has left town, and his place will be filled by Bonnell, who was with St. Peters last year. Everett MacGowan, who played centre field last year, will not be back on the Vets, and his place will be taken by a Maint player by the name of Tolle. He comes with good recommendations.

The slab artists for the Vets last year included Tippetts, McElroy, Kirkpatrick, and others. Tippetts is the only sure one so far for this year's campaign.
