

*Note.* The full detail of the proceedings of the Association which appeared in the *Christian Messenger*, and which must probably have fallen under the notice of most of the Members of our Churches, has precluded our inserting such general remarks in the Minutes, as has been usual for some time past. By a Note of the Association also, extracts of the letters from the Churches are to be published in the *Messenger*, and will appear from time to time in that Paper.

---

It appears from the Minutes, that there are belonging to the Association 63 Churches, and 37 Ordained Ministers.

The number of Licentiates is not exactly known.
