TELEGRAPH NEW'S.

London, Aug. 19.

The bullion in the Bank of England has increased £258,000 Paris advices assert that the Carlist rising

Spain is assuming serious proportions.
Bets of 2 to 1 on the Oxford crew against the Harvards are offered with no takers. Advices from China report terrible floods

on the river Yantzee.

There was three feet of water on the bank at Hactow. The entire country for miles back of the river was covered with water, resulting in great destruction to crops and loss of life. New York, 20th,

Gold 1337.

Halifax, Aug. 22.
The 'City of Paris," with Prince Arthur arrived at half-past nine o'clock this morning The Governor General and General Doyle went on board and spent some time in conver sation with the Prince on the deck.

Upon coming ashore at Secton's Wharf, the Prince entered the carriage with the Governor General and went to Government House.

A detatchment of the Highlanders were drawn up on the wharf.

Aug. 23.

This afternoon started from Secton's whar in the Admiral's barge, and proceeded to the the Dockyard, where he was received by Admirals Wellesly and Munday, the Gov. Gener al, Lieut. Governor, and other high dignitar-

the City.

The Prince replied in a firm, manly voice ported.

impressing everybody favorably.
