

## JAPANESE MAGIC HAIR RESTORER

One of the Greatest Discoveries of the 19th Century.

The result of using this remedy for the Hair is shown in the annexed cut. It is a certain fact that by persevering study, and scientific experiment, the cause of most diseases and imperfections in the human system can be discovered, and means taken to assist nature to recover its original state of perfection. This fact has been made patent in the use of this Magic Hair Restorer. Testimonials of its wonderful success in restoring decaying and gray hair to its original colour and vigor, removing dandruff and other scalp affections, producing a growth of fine, new Hair when baldness has set in, are coming in every day. Any person wishing to preserve and beautify present baldness and gray hair will find the Japanese Magic Hair Restorer will give the greatest satisfaction. It is the cheapest as to quantity and efficiency of any preparation of the kind in use.

Price \$1.00 per Bottle ; 6 for \$5.00.

## Artificialty...

isn't a sin in Teeth—yet delicacy likes to have it artfully concealed.

I make Artificial Plates on the plans and specifications laid down by nature.

My results are surprising — so natural in appearance—so perfect in fit—so comfortable in action — that even the weary can forget about them.
