TALKING TO CHATHAM.

N. B. Telephone Co.'s New Copper Wire Price of Mispec Mill Handed Over Works Splendidly. The new copper circuit between Fredericton and Chatham, which has been

under construction by the N. B. Telephone Co., was completed yesterday and is now open for business. The Star had the opportunity of talking over this wire—which runs from here via Fredericton-this morning, and found it easier to converse with a corresponcases with a neighbor here in the city. The speaker could make himself distinctly heard in Chatham without the slightest effort. Conversation carried Suipnite Co., the former conversation carried property.

Since the city purchased the proper-

ham Commercial, who was talking to ty. It is believed that the city will be the Star this morning, says that today able to dispose of the property at a was an ideal specimen of winter weather up there, the thermometer being about eight above zero. The river at Carleton Electric Light Works, for Chatham is frozen nearly all the way
