VOLCANOES WIDELY SEPARATED SUDDENLY BECOME ACTIVE

Lagnas in Philippines Causes Considerable Damage—Mexican Mountain at Work Also—Severe Shocks Predicted

MANILA, Jan. 20.—The volcano Lagnas in the Tayabas Province which forms the extreme part of the island of Luzon, became suddenly active between 8 and 9 o'clock last night and the eruption suddenly damaged the country. No reports of loss of life have been received. Loud reports, detonations and deep rumblings preceded the eruption. Telegrams received here describe the outbreak of the volcano as a "great explosion of water."

It is believed however that the subterranean rumblings and detonations warned the people of coming danger in time to allow them to flee to the hills, thus preventing loss of life. From reports received it appears that torrents of lava rushed down the sides of the volcano during the eruption.

MEXICO CITY, Jan. 20.—The volcano near the city of Colima is in eruption. It is throwing out a great quantity of ashes and pumice stones. Several slight earthquake shocks have been reported from that region but no damage has been done.

Predictions of more severe earthquake shocks are made by seismologists.

LAVERGNE, Jan. 20.—Lava despatches today from Tayabas Province, extreme southwestern part of Luzon, express the opinion that what was believed to have been an outbreak of the volcano of Lagnas last night, was not an eruption, but merely a great cloudburst over Mount Banahol. The area damaged by the storm is apparently very wide. The governor of the province reports fields ruined, highways impassable and bridges destroyed.

DETROIT, Mich., Jan. 20.—Yessel men from all over the Great Lakes to the number of about 100 were present today when President William Livingston, of Detroit, called to order the annual meeting of the Lake Carriers' Association. Officers of the association stated before the meeting that while the usual amount of business was to be transacted, one of the most important matters to come before the members is the welfare plan made public by the executive committee several weeks ago, which embodies the enforcement of the "Open Shop" principle on the ships enrolled in the association.

BORDEN HAS DECIDED TO SIT FOR HALIFAX

OTTAWA, Ont., Jan. 20.—Mr. R. L. Borden has written to the Carleton County Conservative Association, thanking them for their support in the recent election, and announcing that he has decided to sit for Halifax and that he will resign his Carleton seat.

THIRTY OR FORTY MEN BURNED TO DEATH OR DROWNED IN WATERS OF LAKE MICHIGAN

JAP PRESS DEPLORES THE EFFORTS TO MAKE TROUBLE

But the People Realize That Hostile Sentiment Is Displayed in the United States Only by a Few Agitators

TOKIO, Jan. 20.—It is believed here among officials and others that the introduction of anti-Japanese bills in the California Legislature and the subsequent attempt to create the impression that Americans and Japanese are much aroused, is merely a continuation of a plan originally determined upon to insure such unpopularity between the United States and Japan that talk of war will be continued indefinitely.

The Hooch, one of the extreme sensational newspapers, addressed an open letter to the American ambassador, the terms of which are offensive, but the tone is excellent. All of the better classes of newspapers condemn the Hooch's course and speak in highest terms of Ambassador O'Brien.

MATRIMONIAL COMPLICATIONS IN CARLETON COUNTY CASE

Husband and Wife Having Separated, Both Married Again—Suit for Dower Is Opposed—Interesting Evidence Heard.

A very important and interesting case was tried in the equity court this morning before His Honor Chief Justice Barker. The case was that of Phillips vs. Phillips, a Carleton county case. The petitioner, Mrs. Esther C. Phillips is applying to the court for her measurement of dower in the lands of James E. Phillips deceased, her husband, and the petition is being opposed by Mrs. Martha A. Phillips, Herbert Phillips, James A. Phillips, James A. Phillips and Alvia O. Phillips, on the ground that the petitioner has been living in adultery in Lowell, Mass., with a man named Barnes, which, if proved would bar her dower.

PHILADELPHIA, Jan. 20.—An explosion of a large quantity of dynamite today in the plant of the Dupont Powder Company, at Grubstown, N. J., 20 miles south of Philadelphia, probably killed one man and injured several others. George Bates, an employe at the Dupont plant, is missing, and it is believed that he was killed.

REGGIO, Jan. 20.—Several additional earth shocks at short intervals were felt here today.

Fire Broke Out on Crib a Mile and a Half from Shore—Workmen Cut Off With No Chance of Escape—Tugboat Rescued Some, But the Majority Perished

CHICAGO, Jan. 20.—It is reported, that twenty men were drowned in attempting to escape from a fire which destroyed one of the Intake Crib in Lake Michigan off Third street today. The crib is one that was established by the George W. Jackson Company, contractors, and is a mile and a half out in Lake Michigan, and connected with the shore by an aerial tramway. Early reports stated that nearly sixty men were working in the crib when the fire broke out.

UNITED STATES STEALING OUR SHARE OF NIAGARA

More Water is Being Diverted Than Was Believed—Consumption by Power Plants

NIAGARA FALLS, N. Y., Jan. 20.—The report of the International Waterways Commission on its finding with relation to the diversion of water in the Niagara River by the power plants based on observations made June 14, 1907, and on August 1 last, when the two American plants shut down to permit an inspection shows that by these plants diverting 800 cubic feet a second lowered the level of the water over the American falls to about 19 inches. It was also found that the diversion of 800 cubic feet diverted by the two plants lowered the level of the river on the Canadian side, near the Ontario intake on Canadian side, 14 ins.

HEAVY EXPLOSION AT DUPONT POWDER WORKS

Several Men Severely Injured, and Shock Fell for Twenty Miles.

PHILADELPHIA, Jan. 20.—An explosion of a large quantity of dynamite today in the plant of the Dupont Powder Company, at Grubstown, N. J., 20 miles south of Philadelphia, probably killed one man and injured several others. George Bates, an employe at the Dupont plant, is missing, and it is believed that he was killed.

REGGIO, Jan. 20.—Several additional earth shocks at short intervals were felt here today.

STILL FIGHTING ABOUT LEGALITY OF SUBPOENAS

New York World Employs Object to Appearing in a Case in Which No Parties are Named

NEW YORK, Jan. 20.—The question whether employes of the New York World shall be compelled to testify before a federal grand jury in the Panama Canal libel case without being informed in the subpoena as to the nature of the case, the name of the complainant or defendant, was expected to be decided by Judge Ward of the United States Circuit Court today.

WORRIED CHURCHILL AT BANQUET BOARD

Uninvited Suffragette Appeared at Banquet and Argued Votes for Women.

BIRMINGHAM, Eng., Jan. 18.—The constantly varying tactics of the woman suffragists developed an extraordinary scene at a political banquet given here last night to Winston Churchill, president of the Board of Trade, and caused much embarrassment to a large company of men and women who attended the function.

JUDGE PICHE DYING.

MONTREAL, Jan. 20.—Judge Camille Piche of the court of sessions is dying and is not likely to live through the day. He was born in 1836, and was M. P. for St. Marys before appointed judge.
