Cheap Drug Store. THE Subscriber having bought out the Drug establishment and business of Mr. F. W. Brown of which he has been the manager for eighteen months, intends to carry it on, on his own account. From nearly four years experience of the business he feels confident that he can afford to the public satisfaction, both as to the quality of the goods which he will keep for sale, and in his own personal attention to the making up of prescriptions, and to the general wants of customers. On commencing business for himself he feels that his success must depend upon strict attention to the demands of the business, and to the quality of the goods he keeps, and he trusts that in both these respects the management of his shop will be such to insure a fair share of the public confidence and patronage. He will keep constantly on hand a full stock of DRUGS & MEDICINES, PATENT MEDICINES, STATIONARY, PERFUMERY, and an assortment of Toilet Articles, and a GENERAL STOCK of the goods usually kept in such establishments. He would call particular attention to his stock of PAINTS, OILS and DYE STUFFS, of which he has a complete stock, which will be sold as LOW AS ANY IN THE MARKET. During the summer months a SODA FOUNTAIN will be in operation. WM. DIBBLEE. April 24, 1861.

BLACKWOODS MAGAZINE. AND THE BRITISH REVIEWS: L. SCOTT & CO, NEW YORK, continue to publish the following leading British Periodicals; viz: - 1. The London Quarterly (Conservative). 2. The Edinburgh Review (Whig). 3. The North-British Review (Free Church). 4. The Westminster Review (Liberal). 5. Blackwood's Edinburgh Magazine (Tory).

The present critical state of European affairs will render these publications unusually interesting for the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and flying rumors of the daily Journal, and the ponderous Tome of the future historian, written after the living interest and the excitement of the great political events of the time shall have passed away. It is these Periodicals that readers must look to the only really intelligible and reliable history of current events, and as such, in addition to their well established literary, scientific, and theological character, we urge them upon the consideration of the reading public. Early Copies. The receipt of Advance Sheets from the British publishers gives additional value to these Reports - inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions. Terms. Per ann For any one of the four Reviews, \$3 00 For any two of the four Reviews, 5 00 For any three of the four Reviews, 7 00 For all four of the Reviews, 8 00 For Blackwood's Magazine, 6 00 For Blackwood and one Review, 5 00 For Blackwood and two Reviews, 7 00 For Blackwood and three Reviews, 9 00 For Blackwood and the four Reviews, 10 00 Money current in the State where issued will be received at par. Clubbing. A discount of twenty-five per cent. from the above prices will be allowed to CLUBS, ordering four or more copies of any one or more of the above works. Thus: Four copies of Blackwoods or one of Review, will be sent to one address for \$9; four copies of the four Reviews and Blackwood for \$30; and so on. Postage. Subscribers in the British Provinces will receive their numbers free of U.S. Postage. N. B. - The price in Great Britain of the five Periodicals named is \$3 per annum.
