## Grand Circuit Races Yesterday

Feature of the Week, Ohio Stake of \$5,000 for 208 Trotters, Went to An Ohio Driver, Columbus Won With Peter Coley.

North Randall, Cleveland, July 9.—The Ohio stake of \$5,000 for 208 trotters, the feature of the week on the Grand Circuit programme, went to an Ohio driver today, when Peter Coley, driven by Charles Valentine, Columbus, won in three straight heats, all hotly contested.

## The St. Peter's Team Won From Moncton

After Returning from Amherst and Truro the St. John Ball Players Won from Team in Railway Town Yesterday.

Moncton, N. B., July 9.—St. Peter's team, of St. John, on their return from playing a series of games in Amherst and Truro, defeated the Veterans five to three. King and Dever were the visiting battery, and McEellan and Cummings were the battery for Moncton.

Both teams scored a run in the first inning, and St. Peter's tallied again in the third and fifth. In the eighth the Veterans scored their second run. St. Peter's put two scores across the pan in the ninth. The Veterans had a strong rally in their half of the ninth, scoring one run, but good pitching by King stopped them.

Moncton and St. Peter's are now even, both having won a game each. Two games are to be played here tomorrow.

## France Leads With 350 At Antwerp

Antwerp, July 9.—It now appears that France will have the largest representation at the Olympic games. The French team will comprise 350 persons. The United States will be a close second, with 320. The number of entrants from Sweden has not been completed, but it is believed they will be in the neighborhood of 300.

## OLYMPIC BOXING BOUTS

Present indications are that both the Riverside and Classic Clubs will be represented by large strings in the Olympic boxing trials next week at the Arena. These well-known clubs have produced many champions in the last few years, having practically monopolized the honors in the local tournaments, but they will be hard put to it to corner the titles in the coming Ontario tests. The University of Toronto intercollegiate champions are in active training for the big fight, and Sgt. Major Blake predicts that he will put the gloves on more than one winner on July 9 and 10. It will be remembered that in the city championships the only open competition that 'Varsity' had entries in the students won four classes.

## Motorists From United States

Many Touring Automobile Parties Are Daily Arriving, Passing Through to Different Points in the Province.

The fine weather with which we have been blessed this Summer is daily drawing numerous motorists from across the border. Yesterday there emerged from out a cloud of dust on Douglas Avenue a handsome big eight cylinder car bearing the Massachusetts name plate. Hardly had the lovely vehicle passed out of sight when another sand storm was seen coming over the desert and out of the dust came another car, a merry jingle announced its coming and bearing the Rhode Island tag "the little Ford just rumbled right along." Later in the day two cars came in from Illinois. Both cars had tents strapped to their running boards and it was evident that the tourists were not worried about the taxed hotel accommodations they might encounter on their trip.

Some excitement was caused on Charlotte street last evening when a young horse became frightened at the gaily bedecked street car and the bugle band which was touring the city. The horse backed into the thick of the crowd on the sidewalk but no one was injured.
