

**MORAY & LANMAN'S FLORIDA WATER.**—There is a healthful exhilarating quality in the fragrance of this popular toilet water. It awakes the remembrance of summer's floral intensity, as some old tune might recall the bygone scenes in which we first heard it. Spiritual and delicate as the aroma of the original Cologne, it is perhaps more lasting, and the odor never changes as is the case with perfumes derived from volatile oils. Ladies who suffer from nervous headache, prefer it to every other local application as a means of relieving the pain; and as a perfume for the sick chamber, it is eminently refreshing. We refer solely to 'Murray & Lanman's Florida Water.' The imitations are worthless.

## REMARKABLE MEDICAL TESTIMONY.

Messrs. PICHAULT & SON, Chemists and Druggists, No. 42 Notre Dame Street, Montreal, have received the following testimony:—

MONTREAL, C.E., July 31, 1863.

Messrs. Doctors PICHAULT & SON:

Sirs,—This is to certify that for five years I was troubled with general debility, unable to perform any household duties, and suffering violently from palpitation of the heart. I was constantly under the influence of a chilly fever, and experiencing awful pain in my whole body. I tried everything—sought medical advice—but all to no avail. Twelve months ago I was induced to try BRISTOL'S SARSAPARILLA, and before I had taken two bottles, experienced a decided improvement; but my means not allowing me to continue its use, I was becoming worse again, when you kindly gave me a few bottles. It was the needed remedy, and its effect on my system was wonderful. I am now another woman; I feel well, eat well and sleep well, and do all my work without the least fatigue. I cannot too strongly recommend this invaluable medicine to the suffering, and I have not the least doubt they will derive from it the same benefit as I have.

ANGIE DANIEL,

Wife of

CELESTIN COURTOIS,

95 Visitation Street.

I certify the above is the truth,

CELESTIN COURTOIS.

Sworn before me this thirty-first day of July, 1863,

J. BOULANGER.

Justice of the Peace.

This peculiar habit or infection which we call SCROFULA, lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending from parents to children unto the third and fourth generation; indeed, it seems to be the root of him who says, "I will visit the iniquities of the fathers upon their children." The diseases which it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These all having the same origin, require the same remedy, viz. purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

## Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil or Glandular Swellings, Tumors, Eruptions, Pimples, Blisters and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alternative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood; purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of Sarsaparilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

## Publishers' Advertisement:

For years and years we have been asked for a large print Prayer Book, and for one reason or another we delayed getting up one until the present time. We desired to make it, when made, the most complete and the most elegant Prayer Book published either in Europe or America, and we think we have succeeded.

The Features which distinguish it from all other Prayer Books are as follows:

- I. It contains the principal public and private Devotions used by Catholics, in very large type.
- II. The Short Prayers at Mass are illustrated with thirty-seven new plates, designed and engraved expressly for this book.
- III. It contains the Epistles, Gospels, and Collects for all the Sundays and Festivals of the Year, together with the Offices of Holy Week, in three sizes larger type than they can be found in any other Prayer Book.
