

# Don't be satisfied with anything less than an Edison Phonograph

Throughout the history of sound reproduction Mr. Edison has blazed the trail. Every important step has been conceived first in his mind. He is the acknowledged master of acoustics throughout the world. His recent triumph is the

## Blue Amberol Record

It came after countless experiments with all its strength of volume, sweetness of quality and lasting endurance. To bring out the remarkable tone of this new record demanded a new reproducer. He invented it---

## The Diamond-Point Reproducer

With it there is none of the annoyance of changing the needle after each record. The diamond is as much a part of the phonograph as its beautiful cabinet. Hear a Blue Amberol—that's all we ask. Your Edison dealer will play over as many as you like. We are content to leave the verdict with your ear.
