

LITTLEWOOD.—The third year of our work as an Auxiliary of the W. M. S. has passed into eternity, making us remember that this is not our home, and here we have no continuing city. In reviewing it, we do so with feelings of gratitude to the Giver of all good things who has enabled us to make it a successful one. In comparing our Treasurer's report we find an increase since last year of \$21.13, having raised altogether this year \$83. None of us know for what intent we were born, but we all know that there is a great work to be done, and that good means are needful for it in order to obtain good ends. Let us then be up and doing in this our fourth New Year, so that should the call come to any of us before its close, it can with truth be said, "She hath done all she could."

MADOC.—Although there has not been any report of this Auxiliary, we have been quite busy, and are able to say that our society is still progressing. Our monthly meetings are both interesting and spiritual, and are fairly well attended. We are not an old Auxiliary (three years old) and I know we are advancing, and we are hoping for better things in the future. We will have three life-members this year, with an increase of ten members. This year we sent a box of clothing and quilts to Powassan, of which Rev. W. N. Chantler its pastor, who distributed its contents carefully among the people. Our box was valued at \$43.35. Last year we sent a box valued at \$15, and sent \$36.73 to branch treasurer. We have been blessed in this great work, and are encouraged to do still more in future for the blessed Master who has said, "Inasmuch as ye did it unto one of the least of these, ye did it unto me."

MRS. MARSHALL MAYBEE, *Cor. Sec.*

TRENTON.—Our Auxiliary was organized about a year and a-half ago with a membership of seven, which has now increased to twenty-three. This year fifteen *Leaflets*, eleven *OUTLOOKS* and ten Reports were taken. We did not send in a great deal of money last year, but hope this year to hold more public meetings, and in this and other ways to increase our funds. Before Xmas we sent away a box of clothing, quilts, etc., and were amply repaid for our work by the kind letter of thanks sent us after its receipt. At our monthly meetings, after devotional exercises, we spend an hour in sewing in preparation for a box next fall.

BRANTFORD.—The Union Quarterly Meeting of the Methodist Auxiliaries of this city was held in the Wellington Street Church, the first Tuesday in December. A goodly number were present, and Mrs. Russ presided. After singing, reading the Scriptures and prayer, very encouraging reports were read from each of the city Auxiliaries and Mission Bands. Mrs. Wheeland gave a very earnest and practical talk on personal responsibility. We then had a solo by Miss Snyder, rendered in her usually happy manner. Dr. Beattie, late of India, was present, and was invited to a seat on the platform. She was prepared to answer any questions that might be asked, and in this way a great deal of valuable information was given regarding the customs of the people, her methods of work, and her way of telling the natives about her Master, whom she delighted to serve. Mrs. Phelps, District Organizer, told us many things of interest which impressed her at the Board Meeting. The singing of a hymn and prayer brought to a close one of our most interesting quarterly meetings.

THORNDALE.—We are greatly encouraged in our Woman's Missionary Society this year. Although two of our very active workers have been taken from us by the hand of death, one being our 1st Vice-President, Mrs. (Rev.) Kerr, and the other one her mother, Mrs. Minkler, we have an increase of six in membership, nineteen subscribers to the *OUTLOOK*, and recently sent a box of clothing to the Rev. Mr. Chantler, Powassan, for distribution. Mite-boxes have been placed in three of the churches of the circuit with benefit. Last September we held a missionary tea and programme. Mrs. (Rev.) Cassidy and Mrs. A. McMechan, of London, Mrs. Brown, Mrs. Rice, Miss Lindsay, B.A., and Miss Colley, of St. Mary's, aided us greatly by very able addresses, readings and song.

MRS. (DR.) MURRAY, *Pres.*

SALEM.—Our Mission Band was organized May, 1893, by Mrs. G. Patterson, whose deep interest in missionary work inspired us with some of her zeal. At present our membership numbers twenty-two. Our meetings are held semi-monthly, and we find the interest of our Band increasing. The following are the officers: President, Minnie Robinson; Vice-President, Maggie Patterson; 2nd Vice-President, Lillian Cairns; Recording Secretary, Jessie Hannah; Corresponding Secretary, Bertie Hannah; Treasurer, Herbie Patterson. Our motto is: "Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing that there shall not be room enough to receive it." We feel that even our smallest efforts in advancing Christ's kingdom will be blessed, and we are anxious that a deeper interest will be awakened in more of our young people during the year.

LONSDALE AUXILIARY.—The past year has been a year marked by a steady growth of interest. Our monthly meetings are well attended, and have been seasons of great profit. We have five new members added to our list. We now number twelve. We raised our sixty dollars this year. We sent a box of quilts and clothing valued at twenty-two dollars. To God we give all the praise, as we joyfully press forward into the works of another year, trusting in Jesus.

MRS. C. KIMMERLY, *Cor. Sec.*

CORNWALL.—Our Auxiliary, which has a membership of thirty-six, finds us in 1894 still on the increase. We organized in 1886, and our monthly meetings have been held regularly and well attended. We sent in December one package of bedding to Chilliwack, and one box of clothing to Formosa, and remitted to Branch Treasurer \$130.75. Have also five life-members in all, since we organized, two of whom have been made life-members by our esteemed honorary member, Mr. D. W. Hulet. Our increase financially is largely due to the practical efforts of our life-member, Mrs. Hulet, who last year raised the handsome sum of \$10 from the selling of pickles, and this year we have, by Mrs. Hulet's suggestion, pledged ourselves each to raise \$1 of our own earning for this great work; and as we work we pray that some souls from a benighted land may shine with everlasting brightness when the Saviour comes to make up His jewels, on account of the efforts of the Cornwall Auxiliary.

E. G. FARLINGER, *Cor. Sec.*

STRATHROY.—Special missionary services were held in Front Street Methodist Church, December 3rd and 4th. Mrs. McMechan, of London, gave an interesting address on the work of women in the missionary fields of India and Japan, on Sunday evening to a large audience. Miss Preston, recently returned from Japan, also spoke a few words. Monday evening the members of the Mission Band gave an entertainment consisting of sacred music, a missionary dialogue, and an address by Miss Preston, who, from her personal knowledge of the country, was able to give many interesting facts about the social and religious condition of the women of Japan. The Mission Band had charge of the singing both evenings, about fifty being upon the platform. As the result of our services we are hoping and praying for an increase of missionary interest among our church members, and a large addition to the membership of our Auxiliary.

MRS. J. J. RICHARDSON, *Cor. Sec.*

MANILLA.—An "At Home" was given under the auspices of our Woman's Missionary Society on the evening of Wednesday the 18th October. A good programme was given, consisting of music, reading, and reports of the Society. Mrs. H. A. Crosby, of Uxbridge, District Organizer, gave us an excellent address on missionary work. Our meetings have been held regularly once a month and have proved helpful to us. We pray that God will bless our efforts in the future as He has in the past, and fill us with greater zeal in His own work.

NINA M. COONE, *Cor. Sec.*

MOOSE JAW.—Since organization in July we have a membership of twelve, and an average attendance of six. Ten have subscribed for the *OUTLOOK*, and eight for leaflets and reports. On Friday, January 5th, we gave a social.
