SUB elevators go express at noon

The congestion of the elevators in SUB may be a thing of the past with the Students' Union recent announcement that the stairwells to the upper floors will be opened and a semi-express elevator provided.

According to SU General Manger Bert Best, access to the third, fourth and fifth floors will be available during regular office hours and access to the basement, sixth and seventh floors will be available between 7:30 a.m. and 5:00 p.m. weekdays in the east stairwell.

As well, one elevator will be operated as a semi-express to RATT between 11:30 a.m. and 1:00 p.m. Monday through Friday. This elevator will stop only at the basement, main floor and RATT, when called internally.

The elevator will stop at intermediate floors when called externally, however.

Best says these measures will help alleviate some problems in SUB by speeding elevator service and providing quicker access between floors.
