encore! Lapinette

the advertising burrab.

Lapinette, illustrating her short-hop technique.

One day our lapinary friend was busy making a short hop across campus when she espied a truck transporting copious quantities of carrot cupcakes.

but such culinary consummations call for capital.

Lapinette, demonstrating her desire for carbolic cupcakitude.

and capital, kiddies, means like banks.

funny we should mention that.

little lappy, showing a propensity for pecuniosity and velocity simultaneously.

now lappy was short of cash. this isn't surprising, because we would be hard put to advertise this way if she weren't.

So she romped over to the Campus Bank, which was nearby, natch, and garnered a few pfennigs therefrom.

the drawback...
"MY BANK"
TO OVER 3,000,000
CANADIANS INCLUDING
ONE GREEDY RABBIT

and she still had time to catch the cupcake vendor and blow the lot before he was out of sight.

so we have a happy lappy.

but one problem.

at this rate we'll soon have the fattest rabbit in town.

why not hop over?
