

Meet the Coaches

Sonny Phillips men's volleyball

"This year we hope to draw more fans to one of the fastest growing sports in Canada. They can be sure of seeing good competitive volleyball with powerful teams like Dalhousie and Memorial."

James Sexsmith Women's volleyball

The team expects to move up in the standing after gaining valuable experience last year. A welcome edition will be assistant coach Paul Belanger.

Phil Wright men's basketball

"We will be an even more exciting team this year. We are fortunate to have the core of last year's team returning and we will be challenging for top honors in the AUSA championship."

Don Eagle men's gymnastics

The UNB men's gym team looks stronger than ever, this year. The last two years have been the best in the UNB Salto's history and it looks like this year will prove to be even better. All of last year's AUSA championship and record breaking team will be returning and there are two experienced freshmen joining the team.

Joyce Slipp field hockey

A former Red Stick and graduate of UNB herself, Joyce is very familiar with the Maritime Hockey Scene. This will be Joyce's fourth year at the coaching realm of the Sticks and with the talent coming back, it should be a good year for hockey at UNB.

BEVERLEY BENNETT

Michel Oliver swimming

U.N.B.'s new swim coach for 1981-82 is Michel (Mitch) Oliver. Mitch graduated from McMaster where for the past two years she helped coach the men's Intercollegiate team.

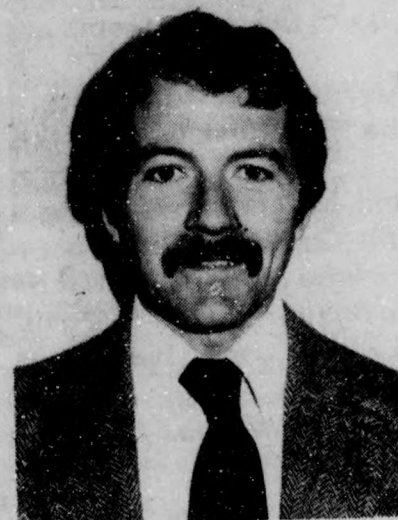

Gary Brown men's Soccer

"Rebuilding is the key. We have lost seven of our national championship starters. But we are rebuilding with young players of high calibre. We're going to take one game at a time."

Joe Dunn men's basketball

Joe Dunn is from Pittsburgh, Penn. Joe will be working exclusively with our men's basketball program. He brings with him an expertise and love of the game which I'm sure you will all recognize in talking to him. Joe will be responsible to Don Nelson our head Coach.

Don MacAdam hockey

Coach MacAdam looks for at least a repeat of the excellent season the Red Devils had last season. "We knocked St. Mary's out of the play-offs and played very well against Moncton, who eventually won the Canadian title. We are established in the AUSA again and hope to keep getting better".

Volleyball Manager Needed

If you are interested in becoming the manager of the men's volleyball team please leave your name with the secretary at the Physical Education Office.

Gymnastics

Persons interested in any aspect of gymnastics, whether it be competing, receiving instruction, managing, coaching or just doing gymnastics for fun should contact:

Coach Don Eagle
Office: A-103, L.B.Gym
Phone: 453-4575

Coleen Dutresne women's basketball

Coleen is in her second year of coaching the Red Bloomers. Last year the team went to the Nationals in Guelph and impressed a lot of people.

Jim Born wrestling

"We are looking forward to another good year. We have good new recruits to blend with the veterans that will help us repeat as AUSA champions."

Mel Keeling cross country

Mel has lost a couple of experienced runners but expects the Red Harriers to be in the thick of things when the AUSA cross country finals roll around again Oct. 24 in Moncton.

Red Raiders Basketball
