My old customers and all lovers of a good **Clyde** are invited to see them. I have Two First-Class Hackneys yet for sale, well worth the price put on them. Phone to residence.

WM. COLQUHOUN,

MITCHELL, ONT.

tion at Brougham on January 18 last, averaging \$360 each for the males and \$361 each for the females; there were 49 head sold, making a total of about \$16,000, the highest price paid for a single animal being \$1,452. This is evidence that the reds, whites and roans are still in demand and it is prophesied that prices will ere long rule higher than ever before in Canada. In Scotland Mr. Marr's dispersion sale averaged for 113 heads \$580, totalling \$88,593, and 18 bulls bred by Mr. Duthie, made an average of \$1,133, and a total of \$10,394; Mr. Marr's stock bull brought \$6,300. Cattle in Scotland were higher to-day than ever before.

When such blood predominates in pedigrees as imported Diamond Jubilee and imported British Statesman and the dams of such a noted family, how could the stock offered in this sale be otherwise than good. They have got no special preparation for sale, and are just in ordinary condition such as will give the purchasers the best results. They are also offering a carriage team, with excellent action and grand conformation, which will take a second place to none for style or endurance. All interested in good stock are cordially invited to attend the sale.

Gossip

W. D. Monkman, Bond Head, Ont., writes: "We want to sell most of our White Wyandotte cockerels right away, to make room. They are good birds from the best strains. Our hens have been laying extra well this winter. Our Shropshires are in good shape. As our ewes were bred to an extra good ram, we expect a crop of choice lambs."

Breeding Shorthorns

Mr. Peter White, jr., proprietor of the Belmar Park Stock Farm, Pembroke, Ont., is making a specialty of breeding Shorthorns and at the present time has about 35 head of this breed. Some of the animals are exceptionally well bred. The farm consists of 370 acres, 60 of which are within the limits of the town of Pembroke. The buildings are up-to-date and substantially constructed.

Maritime Stock Sale

The second Maritime auction sale of pure-bred stock will be held at Amherst, N.S., on Feb. 3rd. The contributions consist of 18 Shorthorn bulls, 16 Shorthorn females, 5 Ayrshire bulls and 2 Hereford bulls. This sale promises to be an excellent opportunity for Agricultural Societies and private individuals to secure good animals for breeding purposes.
