Tronto, December (th. 1996. — Trade as the vinter ports are open. The local generally continues to assume its steady and healthy character. Wholesale houses report a fairly active business, although at this season it usually takes on a quiet at this season it usually takes on a quiet holiday appearance, when stock taking opholiday oph at this season it usually takes on a quiet holiday appearance, when stock taking op-erations are in order. In many lines some they have ever had and prices have been well maintained. The retail trade over the country is every active just now and a splendid holiday business in in prospect. Money keeps in fair demand for mereantile purposes. Banks seem to curity is good timels, so long at the se-curity is good timels, so long at the seis good.

WHEAT There were some sharp fluctuations in the speculative wheat market during the week, Chicago dropping four cents from the week previous. But one cannot gauge the situation by the antics of the specu-lator alone. Conditions are magnified one the streams.

Into raine. Conditions are margifed one way or the other the harpones. At way or the other the harpones are the streams of the streams of the streams of the rainy weather in the Argentine. The big railway strike in the United States has been somewhat of a factor, as it has prevented as much wheat as usual going forward. At Chicago on Priday, December wheat closed at \$1.0%, and the streams of the stream of the streams of the May at. \$1.66, and July at 97/5c. On the same day Winnipeg options closed at 25/5c for December, and 25/5c for May 25/5c for December, and 25/5c for May est exporter of wheat. Manitola wheat is on the quiet side, as-buyers cannot get it, at a price to meet current cable quota-ffons, though at the end of the week there was a scramble to get the last shipments before navigation closes. Locally there is not much change in the situation and quotations here rule at \$104 to \$1.65 for Ontario winter wheat outside. On Toronto farmers' market fa'l w'ert sells at \$1.06 to \$1.07 and gorse at \$1.04 a

COARSE GRAINS

COARSE GRAINS
The oal market has a firmer tendency. At the end of the week western oats were firm at \$25\circ to \$3\circ to talk on the contrade and \$3\circ to \$3\circ to talk on the contrade and \$3\circ to \$3

FEEDS

There is a firmer feeling in bran though quotations show little chenge from a week ago. At Montreal Manuitobs bran is quoted at \$19 to \$20 and shorts at \$21 and shorts at the most of \$20 to \$20 to \$20 and shorts at \$21 and shorts at them \$25 to \$4 to nin bags in car lots on track Toronto. The corn market rules steady. American corn is quoted at Montreal at 705 to 72 in car lots. Desires here quote American corn is quoted at Montreal at 705 to 72 to 12 and 12 an

HAY AND STRAW

The hay market keeps active under good local and export demand. At I treal the export trade is rather qu At Mon owing to the close of navigation, though things will likely pick up again as soon

to 89 a ton.
POTATOES AND BEANS

The Dominion Government's estimate of 99,087,200 bushels as this year's yield of potatoes, as compared with a yield of 25,297,200 bushels more than in 1908, shows, that there are plenty of potatoes in the country, and that potatoes are not likely country, and that potatoes are not likely to go much higher. Prices to day are from 20e to 25e a bag lower than at this time last year. At Montreal Ontario and Quebec potatoes are quoted at 50e to 55e and New Brunswicks at 55e to 60e a bag in car lots there. The market is dull here under a weak demand and large receipts. Ontarios are quoted at 45e to 56e a bag in car lots on track here. On 70r a bag in car lots on track here. a bag in car lots on track here. On Toronto farmers' market potatos sell at 55 to 55 a bag. The demand for new Ontario beaus, all Montreal is somewhat limited and are quoted at \$1,82%, to \$1,85 a bhushel in car lots there for three pound pickers. Dealers here quote beans to the trade at \$1,75 to \$1,80 for primes and \$1,95 to \$2 a bushel for hand picked.

to \$2 a bushel for hand picked.

E665 AND FOULTRY
The egg market continues very firm. Receipts continue light with few new land
finding their way to market. What receipts are arriving in Montreal are quoted
at \$26\$ to \$56\$ a dozen wholesale. Fresh
gathered stock, which must not be classed
at wholesale way and the set of \$56\$
in a wholesale way and the set of \$56\$
in a wholesale way and the set of \$56\$
in a wholesale way and \$56\$
in a wholesal 30c to 35c a dozen.

Receipts of dressed poultry are reported december of dressed pointry are reported light at Montreal and the market rules firm at 17c for turkeys; 13c to 14c for chickens; 19c to 11c for fowl; 13c to 14c for ducks and 12c to 13c a lb. for ge-se for ducks and \$2c to \$16c a. bh. for genes in a wholesale way. Trade here is on the slow side owing largely to the character of the receipts coming in. They are for the most part of poor quality. Wholesale the slowest part of poor quality. Wholesale as 1b; ducks, 1b to \$12c; see \$1.00 to \$1

APPLES

Canadian apples continue to bring good orices in the Old Country market, and shippers are well satisfied with the re-turus, which have in some cases netted \$4.35 to \$4.35 for straight No. 1s, and \$5.50 for other quality. Apples sell on Toron'o 'armers' market at \$1.59 to \$5.30 a bbt. DAIRY PRODUCTS

The cheese market rules quiet but firm Business as usual is quiet at the close conviction and as most of the stocks are Business as usual is quiet at the close c' anvigation and as most of the stocks are quiet. About all the local chesse boards have closed down for the seeson. Novembers sold at some of the markets during the week at 10½c a lb. Dealers during the week at 10½c a lb. Dealers during the week at 10½c a lb. Dealers for large and see a the tranda at 12½ of large and prices are firmer and higher. Presh made creamery is quoted at 24½ of 25; mad summer makes higher. Good cream.

made creamery is quoted at 25% to 250 and summer makes higher. Good creamery prints are in demand here. Large drivy rolls are in larger sprint, which was a constant of the control of the

HORSE MARKET

HORSE MARKET
While the horse market continues on
the dull side, there is every prospect that
the winter's business will open up earlier
than last year. There is an improved
that last year. There is an improved
trade is more active and any
more readily. The horse in most demand
is the hard active chunk of 130 to 140
lbs. each. Quotations at the Horse Exchange. Union Stock Yards, are about as
change. Union Stock Yards, are about as
the stock of the proposers, 180 to 180; expressors, 180

to \$200; drivers, \$100 to \$160, and service-ably sound horses, \$15 to \$60 each. LIVE STOCK.

Live stock receipts keep up well for this season of the year and are ahead of last year at this date. Many common and or-dinary cattle continue to find their way to market and comparatively few of the godd kind. Trade, however, continues good and everything last week sold read-

godd kind. Trade, however, continues good and everything last week sold read liy though receipts were large. The export cattle trade is practically over for this season. What few are a riverse of the export cattle trade is practically over for this season. What few are a riverse count, though some western cattle count, though some western cattle continue to go forward to the Old Country, (Unutations hold steady at 8575 to 85 for good to choice steers, 85 to 85.05 for fair common. Export heifers sell at 85 to 85.05; cows at 84 to 84.50, and export bulls at 83.50 to 85 acut. The big trade is in butchers, cattle and The big trade is in butchers, at the and The big trade is in butchers, at the and the export bulls at 85.05 to 85.05; medium at week. The export trade in butter is rapidly

The export trade in butter is rapidly disappearing, as witness the shipments as compared with last year. In 196 w: shipped from Canada to Great Britain 351,400 boxes of butter. All this butter is now required for the consumers in Canada, the consumption of butter in thi country having increased enormously during the past few years.

HOLSTEIN-FRIESIAN NEWS

Farm and Dairy is the official organ of The Canadian Holstein - Friesian Association, all of whose members are readers of the paper. Members of the Association are invited to send items of interest to Holstein breeders for publication in this column.

RECORDS OF HOLSTEIN-FRIESIAN COWS RECORDS OF HOLSTEIN-FRIESIAN COWS
In the last issue of the American official reports, special attention is called to
the records made by Lillian Walker 3rd,
Copia Hengerveld 2nd's Buttercup, Pontac
Pleione, and Meg Rector 3rd; and the
showing made by the Holstein-Friesian
breed will be better understood when it is
mentioned that Lillian Walker 3rd, 22,72
lbs; fat from 555.6 lbs. milk in 7 days,
see the 17th cow to produce in exyeas of 32 lbs. of butter-fat in 7 conscrutive days and the 183rd to produce over
55 lbs. of butter-fat in 3c consecutive days
it is universally admitted that 55 lbs. of
butter-fat, as found in the milk is sufficeat is universally admitted that 85 lbs. of butter-fat, as found in the milk is sufficient to the second of the sec
