

FARM FOR SALE

And MUST BE SOLD. 190 acres in the banner township of Markham, County of York, being 15 miles from Toronto, 1 mile from Locust Hill Station, C. P. R. There is a grain elevator, creamery, cheese factory, saw and grist mills, schools, churches, post office, blacksmith shop, all within a mile. There are on the farm three barns, two dwelling houses, sheds and other outbuildings; four good wells; well fenced and thoroughly tile drained; 5 acres of choice orchard; 15 acres of good standing hardwood timber. This farm is well adapted for dairying, grain growing or stock raising. It is situated in the best agricultural district of Ontario. It has been tilled for 40 years by one man, who died two years ago. It is leased for \$800 per annum, but must now be sold and divided. This is one of the money-making farms of Ontario. Possession given for plowing Oct. 1. Title indisputable. Parties from a distance will be met at Locust Hill Station by rig if notified and shown over the farm. For further particulars apply to—

NOTICES.

The Government of British Columbia has appointed an Agricultural Commission, composed of Messrs. T. A. Sharpe, Supt. of the Dominion Experimental Station at Agassiz; G. H. Hadwen, a prominent agriculturist; and R. H. Gosnell, Provincial Librarian, who has been a valued contributor to the FARMER'S ADVOCATE. The object of the Commission is to enquire into some difficult agricultural problems of the Province with a view to their solution.

BUCKLEY WATERING DEVICE.

The Buckley Watering Device, which is advertised in another column, is manufactured by the Kingston Foundry and Machinery Co. (limited), Kingston, Ont., and as an inside device has many points of excellence to recommend it. The basin is constructed in two patterns, and suitable for box and single stall. Upon examination at their works we found they were using an aluminium valve, which in itself has much to recommend it. Apart from being extremely sensitive (by virtue of its lightness), it will not corrode, and is so simply constructed as to be understood and operated by any one. It also has the special feature of retaining all water that is admitted, the advantage of which will readily be appreciated by a practical man. The water before one animal cannot pass on to the basin in the adjoining or any other stall. At a time marked as this is by improvement, we consider this one of the strictly up-to-date contrivances now offered to the live-stock public, which can be put in at moderate cost.

A FINE FARM FOR SALE.

We direct attention to the advertisement in another column of a fine farm of 190 acres in the splendid agricultural township of Markham. The location for all conveniences and privileges is exceptionally good, and there is no better land anywhere than that in the district where this farm lies.

The Omaha Prize List.

The prize list for the live stock section of the Trans-Mississippi Exposition has at last been issued and bears evidence of hearty preparation. The prizes in the regular class lists are not large, but the specials added by the various breeders' associations are liberal and will make the total offerings quite tempting. The specials alone aggregating nearly \$10,000. The prizes in the regular list are only \$20, \$15 and \$10 for first, second and third in three of the beef breeds, while for the other beef breeds and the dairy breeds they are \$15, \$12 and \$8, the sweepstakes and herd prizes in each class being the same in amount as those in the sections by ages. There are sweepstakes prizes by ages for beef breeds and for general purposes of \$20, \$15 and \$10, and down to \$12, \$8 and \$6; also grand sweepstakes for herds of \$75, \$50 and \$30, open to all beef breeds, and same for all general purpose breeds. The premiums for horses are lower, the first prizes being \$18, the best prizes for sheep are \$15, \$12 and \$8. The flock prizes are for ram and three ewes, all over two years; for pen of five ewes, two years or over, bred by exhibitor; and pen of two rams and three ewes, under two years, bred by exhibitor; a very unsatisfactory classification to exhibitors, the prizes being \$18, \$12 and \$9. The prizes for hogs are \$20, \$15 and \$12, with herd prizes in six different sections of \$25, \$20 and \$12; also sweepstakes for boar and for sow of the same amount. A full list of prizes for poultry of the various breeds is offered, the money being \$5, \$3 and \$1. Also for fat stock in all the breeds of cattle, sheep and pigs a liberal list of prizes is hung up. Entries close August 10th, and stock must be on the ground from October 3rd to October 20th. Ages are computed to August 10th. Prize lists may be obtained by applying to Hon. J. B. Dinsmore, Commissioner, Omaha, Nebraska.

CHAMPION FRUIT EVAPORATOR
