

The Pandora Thermometer

The thermometer on the Pandora range oven means precisely in accuracy to the cook what the square and compass mean to the draftsman. Without the square and compass the draftsman would have to work entirely by guess, just as you do without an accurate and reliable thermometer on your oven.

The Pandora thermometer reduces cooking to an exact science. You know precisely how much heat you have and what it will do in a given time. It is one of the small things which makes the Pandora so much different and better than common ranges.

GOSSIP.

These are the things I prize, and hold of dearest worth:

Light of the sapphire skies,
Peace of the silent hills,
Shelter of forests, comfort of the grass,
Music of birds, murmur of little rills,
Shadows of clouds that swiftly pass;
And after showers
The smell of flowers,
And of the good brown earth,
And best of all along the way, friendship
and mirth.

—Dr. Van Dyke's "God of the Open Air."

Volume 24 of the American Holstein-Friesian Herdbook has, by courtesy of the Secretary, Mr. Frederick L. Houghton, Brattleboro, Vt., been received at this office. It is a heavy volume of over 400 pages, containing pedigree records of 3,841 bulls and 8,080 cows, showing a rapid increase and widespread distribution of this great dairy breed on the American continent. The volume also contains a list of the officers and directors of the Association, a report of the last annual meeting of members, and a comprehensive index to the animals recorded and their owners.

WM. COLQUHOUN'S CLYDESDALES.

Mr. Wm. Colquhoun, of Mitchell, Ont., the veteran Clydesdale importer, has arrived home with a fresh importation of 10 stallions. Mr. Colquhoun's importations have always been noted for their superior excellence, but in looking over this lot we are convinced that he has excelled all his previous importations for great size, royal breeding, style and true Clyde character. Several of them will weigh a ton each and over, with heavy, flat bone, the best of feet and ankles, and a smooth, beautiful top, horses that have made a name for themselves in Scotland as sires and in the show-ring. Prominent among them is the 17-hands eight-year-old Baron's Pride horse, Fashion Plate, out of a mare by Tip Top, the banner son of Top Gallant, a massive, heavy-boned, stylish-topped horse, weighing over a ton, and the sire of a number of high-class winners in Scotland. Prince of Clay, now in his thirteenth year, one of Scotland's greatest sires, by Prince Alexander, dam the unbeaten Pandora, a horse that has to his credit a long string of firsts and a championship. Winsome Lad, a bay four-year-old, by Pride of Blacon, dam by Scottish Prince, a ton horse, full of character and quality and exceedingly smooth. Nether Lee, a brown four-year-old, by Pride of Blacon, dam by Sir Everard, breeding rich enough, surely, and winner of prizes galore. Another ton horse, smooth, even and stylish, on a grand set of legs and feet, is Rose Crown, a bay seven-year-old, by the Highland Agricultural Society Show champion, King of Roses, premium horse no less than six times, dam by Balbraggan Prince, a son of the noted Prince of Wales; he weighs a ton, a massive, smooth horse, on the strongest kind of legs and feet. Montrave Morman, bay six-year-old, by Darnley's greatest son, Macgregor, dam by Prince of Albion, the world's highest-priced Clydesdale (£3,000), is an exceedingly good kind, with size, quality, style and action. Perfection, bay six-year-old, by Hillhead Chief, dam by Darnley, is a winner of first at the Royal Northern, stands over 17 hands, and is of great scale and Clyde character. Henry Arthur is a bay two-year-old, by Lord Fauntleroy, dam by Prince of Kyle, grandam by Lord Darnley, a big, thick, quality colt that will make over-a-ton horse. Balraig, bay two-year-old, by Eureka, dam by Belvidere, grandam by Lord Erskine, is another massive colt, smooth and even, on grand underpinning. Royal Banff, a brown three-year-old, by Michaboe, dam by Royalist, grandam by Top Gallant, is one of the coming Clydesdale wonders, will make a 2,200-lb. horse, combined with a vast amount of style and quality, and beautiful, true action, the whole making an aggregation of Clyde stallions that are badly wanted in this country. There are also a pair of four-year-old imported mares, safe in foal, and a rare nice yearling Standard-bred stallion colt, by Prince Nuttingham.
