**TEMPERANCE AND GENERAL
LIFE : ASSURANCE : COMPANY**

Offers the most desirable policies farmers can possibly secure. Speaking of its ordinary life policy, a prominent agent of one of the largest and best of the American companies truthfully said: "It is the safest and fairest policy I have ever seen." Every farmer who can possibly get it, should protect his home by having one of these policies for such an amount as will save his family from embarrassment, in case of his premature death.

This paper is using two of my large safes in their main offices. We also manufacture vault doors of every description, cash and parcel carriers and cash registers for stores. A good agent wanted in every town. Send for circulars, and I will help you make money.
