Canada's Leading RIDING PLOWS

If you want a first class article
something which is strictly up-to-
date in the PLOW LINE you should
place your order with our agent for
one of our

... Riding Plows

We Guarantee them to be light in draft,
simple in construction and
easily handled. Any boy or girl cap-
able of handling a team can do your
plowing with one of these plows. You
simply set your levers the required depth
and width, and drive your horses and the
plow will do the rest. You do not
require to use a walking plow to strike
out a land or finish a furrow. You can
do it better with Our Riding Plow.
Thousands of these plows have been
sold in Eastern Canada and all are giving
entire satisfaction. The above cut re-
presents the latest production in Riding
Plows, and if you are interested in this
line just send us a Post card with your
address and we will send you our illus-
trated catalogue.

We also make Double Riding Plows together with
Walking Gangs, Walking Plows and Harrows.
