(From London Watchman.)

(From London Watchman.) FRANCE.—The great work of reorganisation the city is in the wind keeping its present di-FRANCE.—The great work of reorganisation continues to make satisfactory progress. Ot-ficial despatches from various departments state that the disarmament of the National Guard is most of them in a destitute condition. The unburned streets for miles are lined with household goods. No one dare think what the

proceeding without any disorder. The Assembly stands prorogued from the 17th September to the 4th December. A com-loss of life may be. The flames swept through the loss of life may be.

by the Assembly to watch over the course of the Government during the recess. The last act of the Assembly was to conclude a special commercial treaty with Germany, in order to facilitate still further the evacuation of France by the German troops. By the terms of this convention the manufactures of Alsace and Lorraine will be admitted dufy free into France until the last. day of December next. From the 1st of January, 1872, to the 1st of the following July they will be admitted at uuarter rates of duty; and from the latter date the following July they will be admitted at quarter rates of duty; and from the latter date until the first of July, 1873, at half rates. French manufactures will be allowed to enter Alsace and Lorraine on the same terms. In exchange for these concessions Germany under-

In answer to questions asked in the Assembly respecting the captive insurgents, General Cis-sey replied that eight courts-martial were alsey reprint that eight courts-mardial were al-ready sitting for the trial of prisoners; two more would shortly enter upon their functions. The number of judges conducting the prelim-inary examinations was 152, and the number of prisoners to be tried. 30.000. 25.000 cases of prisoners to be tried, 30,000. 25,000 cases in the flames. have still to be examined. The Minister es timates that about 12,500 out of the 30,000 prisoners will be set at liberty without being brought to trial. There are 750 convicts amongst those still in custody. The Govern-ment is making every effort to accelerate the

course of justice, but it is declared to be physically impossible to pass more than 100 sentences monthly. So that not a few of the prison ers are likely to die a natural death before they and the Brethren Angwin and Butcher, to

GERMANY.-More soldiers! What for? A telegram to the Standard from Berlin states Ministry in our Conference will come in the army to a peace footing of 45,000 men, making 400,000 in all. General Von Moltke is ap-nointed Chief Marchal et the Function 400,000 in all. General von blottke is appointed Chief Marshal of the Empire. It is asserted that the Prussian Ministry of enable the President to fill just about the Locke's Theology, Sketches of Method

TELEGRAPH NEWS.

CHICAGO, Oct. 9.-Last Saturday, two hours before midnight, a fire broke out which surpasses any ever known in this country. It broke out in a two storey wooden building inhabited by number of poor people. Before two o'clock this (Monday) morning, over three hundred buildings had been destroyed, and the OFFICE-No. 59 GRANVILLE ST., HALIFAX

fire had travelled a mile. At two o'clock, the brands were blowing across the river in great numbers, and all the shipping in the river was in flames. Five

minutes later we had to vacate the office from which we were sending despatches, and the wind had become a gale. The following are the latest reports: Chicago, Oct. 9, (noon.)—The whole busi-mess portion of the city is in ashes, from Har-rison street north to Chicago avenue, and east of the river to Lake avenue. The fire sweeps a district three miles in length to a mile and a half in width. Every hotel, bank, express ot-fice, telegraph office, theatre, and newspaper office, with all the wholesale houses in the city,
