GILLETT'S PERFUMED LYE
CAUTION.

Put a strong glass on the label and examine it closely every time. Always look for the name "**Gillett's.**"

Like all good articles, which are extensively advertised, **Gillett's Lye** is frequently and very closely imitated. In some instances the imitators have actually copied directions and other printed matter from our label word for word. Be wise, and refuse to purchase imitation articles for they are never satisfactory.

Insist On Getting Gillett's Lye

and decline to accept anything that looks to be an imitation or that is represented to be "just as good" or "better," or "the same thing." In our experience of over fifty years in business we have never known of an imitation article that has been a success, for imitators are not reliable people. At the best the "just as good" kinds are only trashy imitations, so decline them with thanks every time.
