TORONTO. HAMILTON, MAR. 19th, 1903.

DEAR SIRS:—

I have used your **BALL-BEARING COMPUTING SCALE** for several years now and I believe it has paid for itself a good many times over during that period. Most of my profits went to my customers in overweights in the past. Now I have a little left for myself.

Yours truly,

One of a hundred similar testimonials secured by us. Let us put you on the same road to prosperity. Catalogue free for the asking.
