

## No. 256 "Altamont" Trap

(SECOND VIEW)

Most sleighs of this class are too heavy and too long on the runner for a one horse job. In introducing this design, we have produced a sleigh which is at once handsome in outline, comfortably proportioned, and light enough for one horse. Workmanship, material and finish the best. Rear seat reversible. See first view page 15.

---

*Painting*—Body in combination of red and black, or green and black; gear red or green.

*Trimming*—High grade cloth; spring cushions; velvet carpets; driver's box; brass finished body rails and line rail. Shafts full leathered. Supplied regularly with shifting shafts.

*Telegraph Code: Abitiso.*
