## EDITORIAL NOTES.

The Ontario Legislature, is expected to meet sometime in February. The majority of the Government has been increased by the By-elections and is large enough for all practical purposes.

Over 2000 Doukhobors landed at St. Johns this week from Russia and will be sent West to Winnipeg and other points in Manitoba. They are said to be kindly and polite and are expected to make good settlers. They presented a clean bill of health and clear of any contagious disease. The officers of the vessel which brought them across the Atlantic say that the emigrants kept their quarters on board exceeding clean, indeed much more so than the ordinary class of emigrants. In religious belief they are very much like the society of Friends or Quakers.

A circular has been issued from St. Petersburg to the Powers, stating that the Czar's great idea having met with general approbation, the time had arrived to submit to the Cabinets a programme to be considered at the proposed conference, which must be regarded as a basis for the deliberation. The programme does not mention disarmament. It restricts itself to proposing a limitation of the growth of armaments, especially with respect to new inventions.

The Court of Cassation is still wrestling with the Dreyfus enquiry and it is generally expected that the Court will report that acts of treason actually occurred but that sufficient proof of Dreyfus' guilt does not exist. In that case his sentence will be quashed and probably a fresh Court-Martial ordered. It is difficult to understand in this country how intense is the excitement that pervades the whole country in regard to this trial, and many expect a revolution that may end the days of the Republic.

# Stick Out YOUR TONGUE!

What for?  
 Because it may save your life!  
 How?  
 It is the barometer that indicates the state of your health by its shape, coatings and colors.  
 For example?  
 Well, a pointed tongue indicates irritation and disorder in the stomach and bowels.  
 The full broad tongue shows want of proper digestive action.  
 The dry, pinched tongue is the tongue of acute disease.  
 The fissure tongue proves inflammatory action of the kidneys.  
 A dry tongue is evidence that the stomach and intestines cannot do much digestive work.  
 Coating of the tongue is the result of immoderate eating and drinking. The Liver is deranged.  
 The broad, pallid tongue shows a want of alkaline elements in the blood. It is a danger signal.  
 The deep red tongue, generally dry, shows acid.  
 Dryness always indicates nervousness, and diseases of the nerve centres.  
 Extreme moisture shows the reverse.  
 Be your own doctor. Examine your tongue. It will show you whether or not you are in condition to stand spring weather changes.  
 If you are not almost any disease may strike you down. Get in condition at once by using the latest and best spring medicine

DR. CHASE VISITING THE SICK.

## Raised from a Bed of Sickness.

Dr. Chase's Catarrh Cure and Kidney-Liver Pills Combined for Perfect Health—An Interesting Cure After Long Suffering.

Simcoe, Jan. 18th, 1897.

Messrs. Edmanson, Bates, and Co., Toronto, Ont.:

Gentlemen,—For over five months I was confined to my bed, not being able to move. The best medical skill was called in, all treating me for catarrh of the stomach, but to no avail. I could not eat the most simple food without being in dreadful misery, and found no relief until same was vomited up. After spending a large sum in medical advice, I was advised to try a box of Dr. Chase's Catarrh Cure. I said it was no use, for I considered mine a hopeless case from which I could not recover. At length I purchased a box from J. Austin and Company, Simcoe, and to my surprise found great relief. Not being able to eat I tried a box of Dr. Chase's Kidney-Liver Pills; the pains left me the third day. My appetite has been fully restored, I consider myself perfectly cured, and feel as well as when a young woman, although I am 65 years old at present. I was almost a shadow, now I am as fleshy as before my sickness. Have used only three boxes of Dr. Chase's Kidney-Liver Pills, and only two boxes of Dr. Chase's Catarrh Cure. I can do my house work as usual. I am positive that my marvellous cure (which I think it is) is due purely to Dr. Chase's remedies, which I have used. I can honestly recommend the same to any persons suffering from symptoms similar to mine. Wishing you every success.

Yours, truly,

MRS. ANN OSOROBILL, Jr.

## A Boy's Life Saved

"One day my little boy, aged 7, got a fall and hurt his knee. Inflammation of the knee joint set in and the decay of the bone of the leg rapidly followed. The boy had but a few days' life before him according to all human expectations. Mr. Denham, druggist, Petrolia, advised me to try Scott's Sarsaparilla, I did so, and not only saved but completely cured my boy."—JOSEPH DUNCAN, farmer, Lambton County, Ont.
