

ELEVEN QUESTIONS THAT SHOULD MAKE YOU THINK

- 1—Have you bought Victory Bonds?
- 2—Have you bought to the limit of your resources?
- 3—Is it not possible for you to buy another bond?
- 4—Have all the members of your household bought bonds?
- 5—Do your neighbors know you have bought bonds?
(Set a Good Example by displaying your Honor Card or Poster in your Window)
- 6—Have you put the same spirit of sacrifice into your bond buying as did our soldiers in their gallant fighting at Ypres, Vimy Ridge, Courcellette, Passchendaele, Cambrai and Mons?
- 7—Can you look a maimed soldier in the eye and feel that in your bond buying, you have done your full duty?
- 8—Do you realize how easy it is for you to buy another bond?
(By saving only 14c per day for one year you can pay for the extra \$50 Bond you buy now. 28c per day will buy a \$100 Bond.)
- 9—Are you keeping in mind that you are lending, not giving?
(The funds you invest are still yours, the security the best in the world, the rate of interest liberal.)
- 10—Do you know that the continued prosperity of Canada depends on your buying bonds?
- 11—Have you figured out the fact that as owner of a Hundred Dollar Bond, the government will pay you during the fifteen years, \$82.50 in cash, and at the end of that period your \$100 in gold? So in return for your \$100 investment, you receive \$182.50.
