ported strike on the cutoff.

The Eureka Landing hotel is completed and furnished. From the plans other members of the crew, and shown us of this building it appears the Yukon territory.

Four men are now at work on the Eureka Landing wharf and warewhen completed will furnish the best of facilities for the handling and storing of freight, etc.

Last year there were two hydraulic plants operating in the Big Salmon district. Nine more have been taken in over the ice this spring and four others are now on the road. This will make a total of fifteen for this season when they are ready to commence work.

Mr. C. C. Runner came in Thursday with a large outfit and five men to work on his placer claims on Lake creek, Big Salmon district. On his arrival he made arrangements with his goods and the entire outfit is now on the road to the interior.

## IS FIXED

## Yukon Steamers

Between Bennett and St. Michael -Chiefs Must Have \$1,500 for the Season.

The scale of wages and term of service for all union engineers plying on Yukon steamers from Bennett to St. Michael, agreed upon between councils No. 6 and 7 of the Association of Marine Engineers for the season of 1902 are set forth in full in the following circular issued over the names of the officers of the associa-

"No engineer shall engage in the Yukon service for less than six months; except that, engineers contracting for hire at Dawson or of not less than five months at a salary of not less than \$300 per month for chiefs, and \$200 per month for second.

"An engineer engaged as chief the season of six months, and for every month's service beyond that period of time he shall demand pay-ment per month pro rata, viz., \$250 authorized to adjudicate upon the matter.

Wages shall in all cases, except as provided in Clause 1 of this schedule,

"Resolved. That no member shall sign any document other than that required by the association or the regular articles printed by the government of Canada.

"If no communication be received from the B. Y. N. Co. or other Yukon companies by councils 6 and 7 of this association before March 31st, the secreatry of the council shall be instructed to furnish application forms, typewritten on association I ------printed letter heads, to any of the members who wish to apply to any of the companies for a position Recommendations may be enclosed with the application and forwarded to the office of the companies. Any member receiving overtures fram a person or a company to submit same Wiesdepp for the transportation of to the council, or to a committee appointed by it, to act in its stead, unless the terms offered are above or the same as those agreed upon and specified in this schedule. But in no case shall an agreement for employment in the Yukon service be made except in writing, and in all cases members will be required to exhibit such contracts after their execution, to an investigation committee appointed by their council.'

"That no applications as provided in clause 10 for services on the Yukon either in writing or verbally shall be made by any member of either council to the said companies. desiring to hire any member before March 31. But in the event of either or any of the said companies desiring to hire any member before that time, and who shall make a proposal to any member personally, or by letter, or by application at the office of the association, it is agreed that such member may make a contract with such employer upon the terms agreed upon in this schedule; but he shall not be at liberty to do so until after the date of the signing of this schedule by both councils.

"A copy of this schedule shall be given or forwarded to all Yukon engineers who are members of the association."-Whitehorse Star.

Kills a Neighbor.

Colville, April 2.-Ernest Lutz, a German farmer living near the town of Northport, on March 31 shot and instantly killed his neighbor, Thomas Whitehorse may engage for a period Kane, and by a rifle shot in the hip seriously wounded another neighbor, John LaCasse. The latter will re-

The quarrel arose over the boundshall demand of employers \$1,500 for LaCasse were running out the line, ary line of Lutz's ranch. Kane and when Lutz came out, accused them of trespassing on his property and ordered them off, but the men refused per month, and shall refuse to act the house to get his rifle and enforce to leave; whereupon Lutz returned to cept service at a lower rate, unless his command. He returned just as with the consent of this council or Kane was in the act of driving a of a committee appointed by it duly stake. Kane looked up, saw Lutz with his gun and said: "You certainly would not shoot a man for so trivial a thing as driving a stake, would you?" No sooner had the commence from the date of leaving last word fallen from his lips than Vancouver or Victoria, the fare and Lutz raised the weapon and fired at expenses each way to be borne by Kane, the ball striking him in the left breast with the above-stated result. LaCasse started to run, but was brought down by a ball in the

Lutz then took to the mountains. The sheriff's office was notified as quickly as possible, and Sheriff Ledgerwood immediately started on the trail of the fugitive. This step proved to be unnecessary, for yesterday afternoon Lutz had made his way to the county seat, entered the sheriff's office and gave himself up to Deputy Graham, who placed him in the county jail.

Feeling against the murderer runs Councils Nos. 6 and 7, to adjudicate high, especially in Northport, where Skinner," says I, as I met Mr. W. H. Wiesdepp, the freighter, matters on the Yukon during the his victim seems to have a host of rods away, "here's two started in on Monday with the plant season has been demonstrated, and friends, and fears are entertained of
