

A SASKATCHEWAN VIEW

Lake Valley, Aug. 17th, '07.
Dear Editor,—As I have not written to you for some time, kindly allow me a little space in your paper, as no doubt many of your readers are interested in Western affairs.

We have had a rather dry summer with some heavy storms, but little or no damage was done. At the present time rain is falling, which is much welcomed.

Crops in this locality look well, though stubby land will be somewhat light. Breaking is extra good, so is summer fallow. Flax will be an average yield, and, as a rule, pays well. It is a common thing to see eighty or a hundred acres in one block, and when in bloom it is a pretty sight.

Much of the land here is owned and worked by American companies, who use steam as their motive power in ploughing and harrowing. In ploughing they go on mile bounts and turn an acre in one score. Coal is used as fuel and two men can break between 30 and 40 acres a day.

Wheat is a good price, ranging from 72 cents to 76. From present market conditions, a good price is expected this fall.

Thanking you for your kindness, I will close, hoping to write again on the school system of the province.

ALBERT E. STURGEON.

WANTED IN ONTARIO

Dealing with the rumor that Hon. Geo. P. Graham might be called to a Cabinet position in the Dominion Government, The Globe objects. It says:—"There is just one word of protest to be uttered. Among the names suggested is that of Mr. Graham, leader of the Ontario Liberal opposition. Mr. Graham would add undoubted strength to the Liberal administration at Ottawa; but it must be said in all earnestness that to take him away now from the post he is filling so admirably would be to do an ill turn to the Provincial Liberal party. Mr. Graham is a find made by Liberal members of the legislature. They frankly stated that there may have been some doubt as to the wisdom of the choice at the time it was made, but this has been absolutely scattered to the winds. Mr. Graham has commended himself to every section of the party and has endeavored and energized it through-out. It would be a questionable proceeding to disturb so satisfactory a state of affairs."

A Kind Farewell

On leaving Spencerville for their new home in Athens, Mr. and Mrs. Jas. E. Burchill were tendered a farewell social by citizens. Mr. Burchill was presented with a rocking chair while his wife received a set of dinner dishes. On behalf of the Sunday school of the Presbyterian Church Rev. Mr. Macdougall presented Mr. Burchill with a Bible commentary in two handsome volumes.

The Hot Weather Test

Makes people better acquainted with their resources of strength and endurance.

Many find that they are not so well off as they thought and that they are easily enervated and depressed by the heat.

What they need is a tonic effect of Hood's Sarsaparilla which strengthens the blood, promotes refreshing sleep, overcomes that tired feeling, creates appetite.

An Appeal to the Public

The attention of the public is called, to the circumstance of Adam Emmons. Mr. Emmons has been deprived of both feet. These can be replaced at a cost of \$175.00, the company guaranteeing him to walk without crutch or cane. Contributions are solicited for the purchase of these. Any amount, however small, will be helpful, and appreciated. Offerings can be made at hand, or by letter, to the Reporter office at Athens. The Lord has dealt mercifully, thus far, with Mr. Emmons, in restoring him both physically and spiritually. He leaves now a part for his brother-men to do.
