For some six years the project of constructing a graving dock at Halifax has been agitated in the city council and chamber of commerce, and although at many times the prospect looked dark and uncertain, yet the promoters never lost faith in the ultimate success of this project nor failed to use every endeavor to bring it to a successful issue. Their hopes have now been realized, as on Saturday last the first sod was turned by Mayor Mackintosh and the commencement of what promises to be the finest and biggest job of its kind in the world was commenced.

ENLARGEMENT.—Our new contemporary, the "Herald's" Digest, of Acadia Mines, came to our table last week greatly enlarged and improved. It now contains 28 columns all well filled as usual, and is one of the best of our exchanges. Since its start the "Digest" has always been an interesting exchange and now that it has assumed the size of the regular county newspaper we have no doubt that its value will be considerably increased. We are pleased to see our contemporary prosper and wish its enterprising publisher, friend Biggby, the success he deserves.

BAPTIST SOCIABLE AND APRON SALE.—The ladies of the Baptist church held a sociable in the vestry on Friday evening the 20th ult. The room was hung with paintings and there was a stand filled with beautiful flowers upon the platform. On one side a very tastefully decorated stall was erected for the sale of aprons of every variety, both useful and ornamental, all of which, we believe, were disposed of during the evening. Choice bouquets of cut flowers were also sold at this table, and a hand basket who could resist the winning tones of the fair maidens inviting him to come and be decorated. The room was filled soon after eight o'clock and almost immediately there arose a mighty hum of voices which was not hushed until it was time to go "hum." Music had been provided, but every one seemed to enjoy so well the feast of reason and the flow of soul that the musical part of the entertainment was dispensed with. Delicious ice creams and cakes of all descriptions were provided and these were discussed with evident appreciation by all present. About half-past ten the signal for departure came with the strains of the national anthem, and all present went away with apparent regret that the hour of separation had arrived. Truly this was a very pleasant evening and we would strongly advise any having missed this sociable to be on hand if the ladies give another at a future date. We are sorry to hear that some vandal stole the boxes off a beautiful plant, kindly lent for the occasion. It is strange that thieves cannot avoid even a church sociable. The very moderate prices charged for the articles sold and for refreshment was noticeable; but we are pleased to learn that some \$20 was raised, which sum will be devoted to a fund for renovating the interior of the church. VISITOR.

EVERYBODY should see Burpee Witter's fine stock of CLOTHES before making their purchases.

READ THE FOLLOWING TESTIMONIALS. Weymouth, Sept. 14, 1885. DR. NORTON: Dear Sir,—For twenty-five years I have been afflicted with Salt Rheum, and last Summer my head and part of my body was one fearful sore. The Blood Purifier has also cured Capt Brooks of Dyspepsia and Liver Complaint.

Yours truly, Mrs. John Grant ARTHUR BLACKBURN, of Newport writes: "For five years, I have been afflicted with two Rheumatic Fever Sores on my legs. Have consulted all the doctors far and near. All medicine failed to do me any good until last fall I commenced to take Dr. O. W. Norton's Burdock Blood Purifier. After taking seven bottles my sores are entirely healed up and I am as well as ever."
