A BIG. BIG CELEBRATION.

TO COUNTY

How the Natal Day was Spent in Goderich.

Fine Weather and a Large Crowd-Well. Contested Games-The Prize List-Lacrosse Match-Dramatic Entertainment -Fireworks Display.

I hereby tender my thanks to the members of the fire brigade, and others, who by careful and efficient work prevented the fire and water from doing more serious damage to my stock on Saturday evening. GEORGE OLD. The first of July in Goderich opened auspiciously, with fair weather and a clear sky, and gave evidence that a fine day was in store for the participants in and spectators of the sperts. The peo-ple of the town bestirred themselves early, and long before the heur appoint-WEAVING — THE PUBLIC ARE hereby informed that Milligan & Son, have opened out their rooms, in Capt. Dancey's frame building. West-st., nearly opposite the bank of Monireal, and are prepared to fill all orders in carpet, and other weaving, in the best style. Terms reasonable. Send along your orders. ed for the opening of the program of the day's doings crowds of visitors began to come in from outside points. A number of athletes from Brussels had come in on the late train the evening before and proved to be objects of interest to our local sports.

WOOD WANTED-200 to 300 cords VV of wood, for which cash will be paid on delivery. Apply to NORTH AMERICA CHEMICAL CO. THE ARRANGEMENTS for the helding of the games were not made in the most methodic manner, and DASTURAGE-THE SUBSCRIBER on that account one or two hitches ocas prepared to pasture stock at the Falls Reserve. There are nearly a thousand acres of good pasture land. Price for yearlings 75c bitches was occasioned by the fact that per month. Apply to SAMUEL PLATT. Godenick.

1345-4t bitches was occasioned by the fact that the committee had selected the market place on Montreal street for the holding of the ring games. There is no example to the selected the market place on Montreal street for the holding of the ring games. The hurdle race proved to be an easy place on Montreal street for the holding of the ring games. There is no sward TOR SALE — A FEW A 1 LAND
Rollers and Iron Harrows, will be sold cheap at the Goderich Foundry. The Beatty Reaper and all repairs for the same can also be procured from the Goderich Foundry, or on application by mail to H. SEEGMILLER, Goderich, Ont.

of the ring games. There is no sward thing for McCullough, his old opponent Platt, being the only one who followed and stones. The athletes very properly objected to jumping and vaulting with spiked shoes on the ground selected, and application by mail to H. SEEGMILLER, good "all-round" man on the bicycle. He was ripe for the for the day would not be engaged in. for the day would not be engaged in.
Owing to the good offices of a number of persons who had the interest of the games at heart a portion of the court-

There is a good garden and orchard in connection, and the house is comfortable and convenient. For particulars apply to E. R. WATSON, painter.

1947-1t future occasions.

streak of blue lightning, but he wound up with a header owing to a sudden twist of the wheel. Cox and Coleman had dropped out, and it looked as if Platt was done for, too. But to the astonishment of all, Jack got up, shook off some of the road dust, mounted his machine, drew ahead of McKay, and made the leader, Johnny McCullough, mend his pace to the close. Platt's pluck gained him second place, amid

much applause. The local race, two miles, had prac tically only two contestants, Platt and McCullough. Platt led the way in good style, and won the gold medal over the man who had previously taken the hand-

some silver cup.

The green race, brought out six 'colts," but the race narrowed down to three after the first lap, Keith McLean, of Goderich, and two Seaforth wheel-McLean, who led from the start, had it all his own way, and rode a pretty race. "Pickles," as the boys familiarly called him, came in the easiest of winners in remarkably short time, as fresh

The hurdle race proved to be an easy thing for McCullough, his old opponent

THE HIGHLAND DANCING which was announced to come off after house square was roped off, and the events proceeded in their regular order. ed an event of importance by the crowd that surged to the market square. Here this year, with a half-dozen notable exthis year, with a half-dozen notable exceptions, were not up to the mark. There were a number of young fellows prancing around with badges on, who did nothing but "show shape" during the day. Committee-men should be selected for their knowledge of the work to be done and their willingness to do it. The old saying, "Two many cooks spoil the broth," should be borne in mind in future committee selections, and a less number and brothers ide, and close anginst the other side, and close anginst the market building the dancing platform had been erected. The crowd was packed as odensely that the ropes gave way and the multitude at once surged to the platform. Through some hitch on the platform. Through some hitch on the present, and it was decided that no committee selections, and a less number and Goderich P. O.

S. S. INSTITUTE.

A Very Successful Series of Meetings led by Rev. J. McEwen.

The meetings held on Thursday and Friday of last week were full of interest to Bible students and Sunday School workers. Rev. J. McEwen, the able and energetic secretary of the S. S. Association of Canada, followed up his lecture of Wednesday by some very practical work in the way of elucidating the Work for the teacher. On was uncorking a large bottle of ammoniation of the way of the teacher. He dwelt upon the composition of the a pair of very sore eyes.

Book, dividing it into its 66 hooks, giving the number of writers used as from the members of the Presbyterian church by the sacred history into eras marked by some prominent character from Adam to Christ, and helped the mind to grasp the division by using a simple line on a condensate of the resolution of the resolution character from Adam to Christ, and helped the mind to grasp the division by using a simple line on coord riches of the resolution character from Adam to Christ, and helped the mind to grasp the division by using a simple line on coord riches of the resolution character from Adam to Christ, and helped the mind to grasp the carries to her new home in London the the division by using a simple line on the blackboard to illustrate the 4,000 yards, and initials of the Bible worthies to mark off the epochs. His address was summed up in the outline: THE BOOK.

onstruction, ontents, ontinuity, oncord, laims.

He pressed upon his hearers the import-

Telling, Teaching, Testifying.

The distinction between these various modes of imparting knowledge was admirably brought out by the conductor, who infrately brought out by the conductor, who lighted up his teaching by a number of excellent illustrations, which we have not space to repeat. He dwelt particularly on the "Teaching," and said that the verb "to teach" as contrasted with the verb "to tell" appeared as many as 40 times in the original Greek of the new Testament. The Saviour was addressed as Master (Teacher) 40 times. dressed as Master (Teacher) 40 times, and the work "disciples," followers or learners of the Teacher, appeared 125 times. He closed his last session (Friday evening) by a masterly address on the following outline, which he described as the natural order of teaching, after of 14 feet, lighting on his head. He having it down as a rule that "You can knocked insensible, and at the time teach a person what he does not know only by beginning with what he does know.
