"ANCHOR" BRAND
Cans
Lead in Quality.
This year special pains have been taken and our Cans will
be superior to all others in at least two respects.
The Cover of every Can will fit so perfectly that it will be
possible to seal a case with about 20 cents' worth of solder in-
stead of using a pound, which costs nearly 35 cents.
The Covers of Anchor Brand cases will be put on with pat-
ent fasteners instead of being nailed. This will allow the cases to
be opened without danger of splitting the cover abroad, which
so often happens when the cover is nailed on.
