FOOTBALL

London is to have a Thanksgiving Day game. A big effort had been made to play the championship game with the Ottawa team at Tecumseh Park on the holiday, but their demands were so exorbitant that the proposition was declined. Stratford's team has expressed its willingness to take a fall out of the coming champions, and the two fifteens will clash at Tecumseh Park on Thursday afternoon. Stratford has a heavy and fast team, which did not get into the O. R. U. series, owing to lateness in organizing. They are said to be one of the best teams in the west, and London will have to work hard to beat them. The game will be called at 3 p.m. sharp. The home fifteen has been doing great work. Their expenses have been heavy, and a trip to Toronto must be made on Saturday next, so a bumper crowd is expected at the holiday game. The line-up will be the same as that which put the Tigers out of business on Saturday last, with the exception of a shift around among the back division.

RISTIC

O'BRIEN KNOCKED OUT BY ROOT.
Chicago, Oct. 16.—Jack Root, the middle-weight champion of the west, knocked out Dick O'Brien, of Lewiston, Me., in three rounds tonight, at Tattersall's. Root kept O'Brien at long range by constant left-hand jabbing, and the latter was unable to land a single effective blow throughout the fight. The men met at catch-weights. In the preliminaries, Harry Harris, of Chicago, was given the decision over Casper Leon, of New York, after six rounds of fast fighting, in which Harris had a big advantage in every round.

IN THE FIFTEENTH ROUND.
Detroit, Mich., Oct. 16.—Matty Matthews, of Michigan, and Ferns, of Buffalo, met before the Cadillac A. C. tonight for the second time, in the welter-weight championship, and after 15 rounds of fighting Referee Siler gave the decision to Matthews. The decision on the former fight went to Ferns. The latter was hurt by a left shoulder blow by a back left shoulder blow, and tonight there were three open

sores on the affected shoulder. Both men weighed in at 140 pounds at 3 o'clock today. Matthews was in the pink of condition, and Ferns was in good shape aside from his bad shoulder. Matthews did the leading and leading from the start. In the seventh, after Ferns had put his left on Matthews' jaw, the men mixed it up fiercely, Matthews having a shade the better of it. In the eighth round Ferns knocked Matthews' face with left jab a dozen times, but Matthews had the best of the infighting and rushes. Both landed good lefts and rights on the head during the ninth. Matthews had the best of the eleventh, putting rights and lefts on Ferns' head. After a hot opening in the thirteenth, in which Ferns had the best of it, Matthews rushed Rube to a corner and put some hard punches to his head, the round closing with a fast mix-up, of which Matthews had the better. The fourteenth was Matty's round, and he was fighting cautiously when the last round opened. In this round Matty put two hard rights and a left to Rube's jaw.

THE TURF

BASEBALL

BROOKLYN TOOK THE SECOND.
Pittsburg, Pa., Oct. 16.—Pittsburg put up a miserable exhibition of ball playing in today's game for the world's championship, and presented the game to Brooklyn on errors. Leever's base on balls, followed by a wild throw, was responsible for Brooklyn's first run.

After that Leever pitched a fine game, but Williams' wild throws and O'Connor's drop of Eli's good throw were responsible for the other runs. Pittsburg could not hit Kitson effectively. The latter presented a run in the fourth by making a wild pitch when Wagner was on third base. The other run in the seventh was scored by the two batters and his advancement by Williams' and O'Connor's outs. Outside of the errors there were no special features, and the game lacked interest. Score: R. H. E. Pittsburg 0 0 0 1 0 10 2 4 8 Brooklyn 0 0 1 0 0 0 0 0 0.

Batteries—Leever and O'Connor; Kitson and Farrell.

FATAL EXPLOSION
In a Detroit Factory—One Man Killed and Eight Persons Injured.

Detroit, Mich., Oct. 17.—An explosion of rubber cement in the basement of a four-story building, at 15 Jefferson avenue, occupied by Mitchell Sons Company (Limited), manufacturers of shoes, at 1:15 p.m. yesterday, resulted in a fire which cost the life of a man and injured eight other persons, four of whom were girls. The fire spread with such rapidity that the employees were compelled to jump from the upper stories.

Ireson, who was killed, jumped from a third-story window and struck a sign in front of the building, breaking it loose and carrying down several others, who had crawled out on the window ledge to which the sign was fastened. He was so badly mangled by falling that he was scarcely recognizable.

The dead body of one of the employees, Ernest Lazzotte, was found in the ruins.

JOE'S PLACE.
London, Oct. 17.—Mr. Chamberlain, having served the purpose of the Unionists in securing a big majority in the parliamentary general election, which is admitted on all sides to be chiefly due to him, there seems a disposition on their part, manifested in the Unionist press, to put a stop to the colonial secretary's further ambitions.

The Conservative organs loudly proclaim the absolute necessity of retaining Mr. Chamberlain at the colonial office, asserting that he is too hasty and indiscreet for the foreign office. Hitherto the Unionist organs have carefully boycotted the scandal of the cordite contracts and the conduct of the Chamberlain family with the contracting firm which was brought to public attention by the Radical organ, the Morning Leader.

Today, however, the Times gives great prominence to a long anonymous letter, combating Mr. Powell Williams' attempt to make Sir Henry Campbell-Bannerman and the Liberal leaders responsible for the peculiar nature of the contracts. The letter concludes as follows: "If we are to maintain the high standard of purity in matters of public business which has hitherto been our pride, it is absolutely essential that in future no politician connected with the constituencies will supply warlike stores to the admiralty, and the war office should not have any word in the allocation of contracts."

A LESE MAJESTE TRIAL.
London, Oct. 17.—According to the Berlin correspondent of the Daily Mail, Dr. Heinrich Schweninger, who was Prince Bismarck's confidant and physician, testified at the recent trial of Maximilian Harden, editor of the Zukunft, for lese majeste, asserting that a certain member of the imperial household had been in company with the defendant, that Prince Bismarck emptied the famous bottle of Steinberger, which the emperor sent to him. Dr. Schweninger refused to answer the judge's question as to whether the emperor's house was in fact that Prince Bismarck could no longer hold the reins of government because he was a morphine-eater. The News correspondent hints that the imperial sympathizer with Harden was the emperor's eldest sister.

SCARCITY OF COAL IN FRANCE.
