DEATH OF REV. D. C. JOHNSON.

The friends of Rev. D. C. Johnson will regret to learn of his death, which took place this morning at the family residence, Helmut Avenue. For nearly seven years, Mr. Johnson, who was 52 years of age, had been laid aside from the active work of the ministry by an affection of the spine, that eventually caused his death. Last year he was appointed clerk of the London Presbytery, to succeed Rev. Dr. Sutherland. He has been closely identified with the work of St. James' Presbyterian Church, having served as clerk of the sessions for several years. His loss will be felt keenly both in the church and community, and many friends will extend their sympathies to

## BIOCYCLES GALORE.

Perhaps in no bicycle store in London has there been this season so many punctures as at Stringer's, next door to the Bank of Toronto, on King Street. It has been Mr. Stringer's habit every business day for some time past, deliberately commit the act himself, in order to more readily dispose of a big stock of Welland Vale high-grade bicycles, and every day punctures were made, not in the tires, but in prices of wheels, which he determined to close out by the first of July, for then he has decided to go out of the business, and will vacate his present quarters. He goes so far as to say he will not refuse any reasonable offer a buyer may make for any wheel in his store. It's cheaper than walking or paying car fare. Those interested in having a good thing had better call in and name their price, without delay, as at which the bicycles are going indicates the stock will soon be exhausted.

## FORTY-THIRD ANNUAL MEETING

Of the Synod of Huron Now in Session Here.

His Lordship's Charge to the Synod—Election of Officers—Notice of Motion—Other Matters Dealt With.

The Synod of the Diocese of Huron opened yesterday in St. Paul's Cathedral, where morning prayer was conducted by Canons Richardson, Young, Hill and Hincks. Afterwards the Bishop of Huron, Dean Innes, Canons Hincks, Young and Hill administered the Holy Communion to the clergy and laity.

The Bishop of Huron presided at the 43rd session of the synod, which was convened yesterday afternoon in Bishop Cronyn Hall, at 3 o'clock. After opening services, Dean Innes read the roll of the clergy who were called by the honorary clerical secretary, Canon Richardson. In the absence of the honorary lay secretary, the roll of the laity was called by Secretary-Treasurer McWhinney.

Rev. Canon Richardson was re-elected honorary clerical secretary; Edwin Paul was elected honorary lay secretary, and R. Bayly, Q.C., George E. Jewett and C. F. Compain were re-elected auditors.

The committee on certificates of lay delegates and synod assessments reported the examination of 284 delegates, representing 233 congregations. Replies about the good that has been done them by the use of Grape-Nuts food.

Ten little boxes, each containing a \$10 gold piece, will be sent to the ten writers of the most interesting letters. Twenty boxes, each containing a \$5 gold piece, to the twenty next most interesting writers, and a \$1 greenback will go to each of the 300 next best. A committee of three to make decision as to the prizes sent on July 3, 1900.

Write plain, sensible letters, giving detailed facts of ill-health caused from improper food, and explain the improvement, the gain in strength, in weight, or in brain power after using Grape-Nuts food.

It is a profound fact that most all of humanity come from improper and non-nourishing food, such as white bread, hot biscuit, starchy and uncooked cereals, etc.

A change to perfectly cooked, predigested food like Grape-Nuts, scientifically made and containing exactly the elements nature requires for building the delicate and wonderful cells of brain and body, will quickly change a half sick person to a well person. Food, good food, is Nature's strongest weapon of defense.

Include in letter the true names and addresses, carefully written of twenty persons, very well, to whom we can write regarding the food cure by Grape-Nuts.

Almost everyone interested in pure food is willing to have his or her name in the papers for such help as they may offer the human race. A request, however, to omit name will be respected. Try for one of the 330 prizes. Everyone has an equal show. Don't write poetry, but just honest and interesting facts about the good you have obtained from the pure food Grape-Nuts. If a man or woman has found a true way to get well and keep well, it should be a pleasure to stretch helping hand to humanity by telling the facts.

Write your name and address plainly on letter and mail promptly to the Postum Cereal Company, Limited, Battle Creek, Mich. Prizes sent July 3.

freed from debt, had been duly consecrated — Gorrie, Wroster, Mountjoy, St. John's (Bradford), and Port Stanley. Two quiet days had been held—one for the deanery of Grey and the other the deanery of Middlesex. His lordship then commended the synod to God and the word of his grace.

The annual report of the executive committee, the committee on Sunday schools and a letter relative to the condition of the widow of the late care-taker were then received, and will be considered in due time.

Matthew Wilson, Q.C., gave notice of motion to the effect that this synod deemed it in the interest of the Church of England at large, that all obstacles in the way of Canadian clergymen's ministrations in England be removed, and that the authorities in Canada be requested to bring this matter to the attention of the proper authorities in Great Britain and Ireland.

Another notice of motion was to the effect that this synod regrets the adverse report and action of the provincial synod upon the memorial of the Diocese of Huron relating to the meetings of the provincial synod and the merging of the Domestic and Foreign Missionary Society in the general board of missions for Canada, and that a committee be appointed with the object of making less expensive and more useful the provincial synod system and of making more efficient the general synod of Canada, and the board of missions thereof, and that this committee also report in regard to the formation of a provincial synod for the Province of Ontario.

A memorial in regard to alterations made in the canon on superannuation was presented by Rev. E. Softly, B.D., and will be considered in due course.

Rev. J. C. Parthing gave notice of motion for a committee to inquire into the state of the superannuation and widows' and orphans' funds, and also to devise a scheme for the equitable management of such funds, to facilitate the free interchange of clergy throughout the Dominion without change of status.

The synod was informed that the cathedral branch of the Brotherhood of St. Andrew had established a bureau of information and a telegraph and postoffice in the building for the convenience of the members. The local papers would also be supplied.

At 8 o'clock the synod went into

committee to consider the annual report of the executive committee. The following are extracts from it:

The sum of \$4,690 13 has been received in paid subscriptions towards the diocesan indebtedness, the regular collections for purposes of this synod have come within \$16 68 of those of the previous year.

The mission fund overdraft has been reduced during the year from \$8,691 05 to \$6,589 55, the general purpose overdraft from \$3,583 50 to \$3,562 60, the see house debt from \$9,327 85 to \$8,423 95, and the balance to the credit of the widows' and orphans' fund increased from \$280 10 to \$478 66. This is the more satisfactory from the fact that the grants made from each of these funds are for a period of thirteen months, from the 1st of April, 1899, to 1st of May, 1900.

The total contributions received, including free-will contributions and assessments, amounted to \$28,492 12, of which \$16,498 61 was for diocesan and \$11,993 51 for outside purposes. The total for the previous year was \$26,773 85, of which \$16,565 49 was for diocesan and \$10,208 36 for outside purposes. It will be observed that the increase was altogether for the outside objects, and consisted principally of the Canadian patriotic collections, which amounted to \$1,963 18.

The subscriptions, collections and assessments received for the mission fund show an increase of \$120 45 over the previous year, and amounts to \$4,494 48; collections on bishop's visits, \$80 11; donations, \$110 32; interest from mission fund investments, \$178 42; sustentation fund interest, \$2,302 38, and surplus interest from commutation fund, \$427 11. The hearty thanks of the synod are due to the Huron branch of the Women's Auxiliary Missionary Association, from whom were received during the year \$37 40 towards the current mission fund account and \$396 66 towards the debt—a total of \$974 06.
