

Thistles To Form Ladies' Bowling Club and Will Feature Industrial Curling League

K. BLUETT IS THISTLE'S PREXY

North-Enders Hold Enthusiastic Annual Meeting.

The reintroduction of industrial curling and the formation of a ladies' bowling club were two big decisions made at the annual meeting of the Thistles, held at night. C. K. Bluett is the new president of the north-enders.

It was one of the best attended annual meetings in the history of the club, and was indicative of the healthy state of organization.

The members discussed at length the question of forming a ladies' club in connection with the Thistles, and everything that can be done to facilitate the club getting under way in preparation for its first season has been considered. A committee will be appointed by the club directors to take up the details of the plan at a meeting next Thursday night, at which time the various games committees will be organized.

Push Industrial League.

Industrial league curling will be pushed by the Thistles this year, and the formation of the league will probably take place within the next two weeks. The idea has the support of all the members, who consider that it will add variety to the usual program, and at the same time be a big factor in developing new curlers.

Ex-President T. C. Benson had an extra gavel to keep the meeting disciplined with last night's session of a huge coconut, sent from Miami, Florida, by Leland Barrie, former secretary of the Thistles, but now a resident of the Florida city.

Officers Elected.

The officers elected last night were: President—C. K. Bluett. Vice-President—J. J. Fetterly. Secretary—M. S. Aikenhead. Directors—T. C. Benson, T. Morner, A. C. Connor, N. H. Keene, J. Doherty, E. Dunneath. Representatives—To D. R. A. Allan and Fetterly to O. B. A. Heaman and W. O. B. A. Laur and McCallum.

Rev. T. D. McCullough, Rev. John McNaught and Rev. John McNaught were appointed chaplains.

MANY PAY LAST TRIBUTE TO ANGUSVILLE RESIDENT

Numerous Floral Wreaths Testify To Esteem of Mrs. F. P. Houston.

Special to The Advertiser.

Kerwood, Nov. 15.—Death has removed another much-respected citizen of Angusville, in the person of Mrs. F. P. Houston, whose unexpected death occurred early on Wednesday morning. She was up and around and apparently in good health, and had only been out of the house for a few minutes, when her lifeless body was found in the yard, heart-failure being the cause of death. Her demise has caused a gloom in the neighborhood, as she has been a highly respected resident for many years.

The funeral took place on Tuesday, a short service being held at the house, and later in the Union Church, Angusville, which was capacity filled by friends and neighbors.

The service was conducted by Rev. Mr. Saunders, assisted by Rev. Mr. Middleton of Russell. Both speakers spoke feelingly of the exemplary life of the deceased.

Rev. Mr. Middleton rendered a beautiful solo. The floral offerings were profuse, a special car being necessary to convey them to the church and cemetery.

Mrs. Houston was born in Perth county, near St. Marys, the youngest daughter of Mr. and Mrs. Robert Brunt. While still a child her parents moved to Middlesex county, near Strathroy, and from there to Manitoba in the early eighties. She is survived by her husband and two daughters, Jean of the Russell school staff, and Phyllis of Kerwood; also two brothers and one sister. The pallbearers were Allen and John Switzer, C. H. Staples, John Broadfoot, W. Chittick and J. M. Brunt of Kerwood.

FARMER'S ARM MANGLED BY CUTTING BOX KNIVES

Special to The Advertiser.

Ingersoll, Nov. 15.—Injuries of a very serious nature were sustained by Earl Campbell, son of Colin Campbell of Crampton, when his right arm was caught in a cutting-box, while trying to fill a silo on the farm of Newell of North Dorchester Township. The arm was badly mangled, and it is understood that there is hope of saving the arm.

PHILADELPHIA—Hugh Bezdek, state college football coach, has been offered a salary larger than any manager in the National League except John J. McGraw, to manage the Phillies for the next three years. It was learned here today Bezdek is due in town Friday with his gridiron warriors, and it is expected he will sign to lead the Quaker team.

ASKS \$5,000 FOR HAZARDOUS WORK

Rescuer of 450 Passengers Sues Steamship Company For Pay.

Montreal, Nov. 15.—For the work of rescuing the 450 odd passengers from the Rapids Prince, when she was stranded in the Lachine Rapids on the night of July 30, last, Hilaire Guerin, the staunch La Prairie boatman, who made approximately 100 hazardous trips back and forth through the swirling waters in his frail craft, which were necessary before all on board the steamer could be safely landed on terra firma, is suing the Canada Steamship Lines, Limited, for \$5,000. Josephat Cardinal, who assisted Guerin, is asking \$2,500. Guerin states that he was offered \$15 a day for two weeks, while life-saving for the company, which also offered him a \$500 bonus. This Guerin refused, believing that the work he was able to accomplish, being an experienced boatman, was worth considerably more than that sum.

WARDSVILLE

Special to The Advertiser.

Wardsville, Nov. 15.—Rev. Mr. Bridgett, accompanied by Gordon Brooks, Geo. Thompson, Roy Blaine, Wm. Tomlin, Malcolm Elliot and Lloyd Simpson, attended the four days' convention of the C. I. G. T. held in Chatham, and which closed on Monday.

The above named boys will give a report of the convention in the Methodist Church on Sunday, November 17, at 11 a. m.

The young ladies of the Mission Circle will hold a bazaar at the home of Mrs. Douglas on the evening of Wednesday, November 15.

Rev. R. J. and Mrs. Murphy entertained a number of the church people on Friday evening, November 10, the twenty-fifth anniversary of their wedding day. The tables were very attractively laid. The large wedding cake, beautifully decorated, was much admired. Mr. and Mrs. Murphy were presented with a number of useful pieces of silver by the members of their congregation in appreciation of

UNVEIL WINDOWS AT PORT STANLEY

Members of Christ Church Honor Memory of Fallen Heroes.

Port Stanley, Nov. 15.—Beauty and sincerity were attributes of the dignified ceremony which accompanied the unveiling of the memorial windows at Christ Church here, with Gen. King and staff officers of London in attendance, and assisting clergy from London and St. Thomas.

The largest congregation in the history of the church filled the pews to overflowing, the aisles were filled with chairs, and every available inch of standing room was taken.

It seemed a happy omen that a second or two before the unveiling of the windows the sun, shrouded in gloom since early morning, should pierce through the clouds, so that shafts of light illuminated the windows, and their beauty was clearly evident through the thin covering of

Brig-Gen. King pulled the rope as the flag fell away from the magnificent soldiers' memorial window, established by Capt. and Mrs. Mary Berry, in memory of their sons, and the service and address which followed echoed again the solemn, grateful ceremonies of Trinity Day.

Col. the Rev. William Beattie, of the First Presbyterian Church, London, and during the war senior chaplain of the first contingent, in simply worded though forceful address, sounded again a note struck in Gen. King's words, by his death, of the manner in which the soldiers of the Dominion faced death and suffering, wretched in themselves, physically, but mentally and spiritually strong in the thought that they died that others might live.

"Were they to stand here in my place today," said "I am sure their message would be to you, 'Carry on,' and hand down to your children that heritage of glorious tradition which they preserved for the empire."

With Gen. King were staff officers, Major Arthur Mortimer, Col. Frank Ware and Lieut.-Col. D. C. Gerrard of St. Thomas, and assisting the rector of Christ Church, Rev. J. R. Rythell, were Canon Andrew and Rev. P. N. Harding and Rev. Hallowell, also of St. Thomas.

The Last Post and the long reveille were sounded following the unveiling, by Bugler William Taylor of the Royal Canadian Regiment Band. Bandmaster James Greaves of the Elgin Regimental Band was soloist for the occasion.

At the unveiling of the second window the curtain was loosed by the hand of Louise Hyndman, a granddaughter of the Mason family. Christ Church choir, with all the members of the junior organization, were in attendance, and anthems, aptly timed for the service, were rendered in finished style under the choir leader, Harry Ellison and Mrs. Ellison, soloist.

Particularly asked to be present on the occasion were Malcolm McVicar, M. P.; Peter Cameron, M. P.; William Jackson, former M. P.; a resident of Port Stanley.

Mr. Toman of Kitchener spent Sunday at the home of his uncle, Mr. Joseph Woods.

Mr. and Mrs. William Sherriff, Jun., and Mr. and Mrs. John Mahood of Elmira spent Sunday with Mr. and Mrs. C. H. Adamson of Hamilton.

Last Saturday evening John Jupp of West Montrose took a truckload of young people from around here and West Montrose to a dance in Bresport. They all reported a fine time.

MERCHANTS URGE HIGHER LICENSE FOR PEDDLERS

Quebec, Nov. 15.—It will cost a fortune to be peddler in the Province of Quebec in future if the suggestions of the Retail Merchants' Association are adopted.

LADY ASTOR, elector for Plymouth despite a strong campaign waged to defeat her because of her attitude on the liquor question.

Association are accepted by the Legislature. They provide for a license fee of \$1,000 for operation, valid only in one of the 12 judicial districts, for the peddler who rides, and \$500 for the poorer peddler who walks. The present fee is \$40 for a license in the whole province. Peddlers will also have to get their photograph taken and affixed to their license certificate, so as to establish an efficient control.

STOPS MUSIC OF ORGAN GRINDER

Special to The Advertiser.

Kitchener, Nov. 15.—Bewitched, feeble and happy, Michael Spina, an aged Italian from London, Ont., startled staid and steady King street here today with the strident wail of a hand organ, from which he essayed to grind out several antiquated tunes before he was stopped by the local police and arrested on a charge of vagrancy. The picturesque old man seemed not at all perturbed when arrested. He had already received a generous response from Kitchener passers, to whom the sight of a hand organ is somewhat of a novelty. When searched he was found to have \$160 in his possession. He pleaded not guilty to vagrancy, and was allowed to go after promising to travel along with his hand organ to other parts.

GLENELG PIONEER DIES AT AGE OF 83 YEARS

Special to The Advertiser.

Durham, Nov. 14.—Another link with the past has been broken when the death occurred of Henry Lawrence of the South Line, Glenelg, at the advanced age of 83 years. He was a member of a well-known family of seven sons and two daughters who figured prominently in the early days of this district. Of that family only one now remains, John, who, though approaching 90 years of age, is still active. Henry Lawrence married a Miss Cook, granddaughter of Mr. and Mrs. Diamond, pioneers of the South Line. To them were born a son and two daughters, William, on the home farm; Mrs. A. McCormick and Mrs. M. Miran. Deceased had a wide circle of acquaintance, and was highly respected. He was Conservative in politics and a member of the Orange order, who turned out in large numbers for the funeral yesterday.

INVESTIGATE DEATH OF BRANTFORD MAN

Witness States Cafe Owner Used Acid To Fumigate Building.

Special to The Advertiser.

Brantford, Nov. 15.—The inquest held in the police court tonight to inquire into the death of Joe Feranto, who was found dead in bed last Saturday morning, brought out the fact that he had prepared a mixture of cyanide and sulphuric acid, to fumigate his restaurant for cockroaches. About 1 a. m. a witness, Lewis White, who was employed by the deceased, recalled that about four weeks prior to his death Feranto had become sick from the fumes of the chemicals while preparing a mixture. Robert Wilnot, employed in the Robertson drug stores, stated that Feranto had procured a quantity of cyanide and sulphuric acid about 6:30 Friday night. The witness believed that the fumes from the process of fumigation would be strong enough to produce death.

Coroner Fissette ordered an adjournment of the inquest until Wednesday, Nov. 22, in order to hear new witnesses, and to procure a chemical analysis from Toronto.

PURCHASES STOCK AT SALE.

Special to The Advertiser.

Kitchener, Nov. 15.—Lieutenant-Governor Cockshutt purchased one cow, Grand Bank Lily, price \$175, and two heifers, Grand Bank Queen, \$125, and Grand Bank Fern, \$170, at the Jersey thoroughbred sale of Geo. W. Latsch at Freeport this afternoon.

It is the contrariness of her sex that causes a woman to love a man after she imagines she has broken his heart by not loving him.

PLAN CO-OPERATIVE SALE OF CHEESE

Representatives Meet in Woodstock To Discuss Organization of County.

Special to The Advertiser.

Woodstock, Nov. 15.—At a meeting of township representatives held in the office of the district agricultural representative, plans were made to start active organization work in Oxford County in regard to the co-operative marketing of cheese by the factories in this district.

The meeting was addressed by E. H. Stonehouse, president of the National Dairy Council, who explained to the representatives the system of marketing proposed, and the organization required. The location of the various cheese factories in the county was mapped out, and the county was divided into four districts, each of which is an important cheese producing section. Meetings will be held in each of these districts in the near future, and at these, representatives of each factory will be present to discuss the system, and become familiar with the details. There will be meetings at Oxford Centre, embracing three factories; Cassell with five factories represented; Kintore with six factories, and Mount Elgin with nine factories. The debate on the proposed organization was keen, but the township representatives left the meeting in an enthusiastic frame of mind.

Miss Clara I. E. Curry, daughter of Mr. and Mrs. D. F. Curry, Graham street, Woodstock, and a former brilliant student of the Woodstock Collegiate Institute, has been awarded the first Carter scholarship for Oxford County, valued at \$100. Miss Curry received all her early education at the Woodstock schools, and has also been awarded two other scholarships awarded by McMaster University, of which she is at present a student.

The local Great War Veterans are well-pleased with the result of their poppy tag day, which was held last Saturday, and the proceeds from which were finally counted today. In all they raised almost \$400, which will go to swell the relief funds of the organization.

News was received today of a distressing accident to Will Thompson, a former Woodstock man, and school-lawyer of Dan Miller of this city, in Edmonton. Mr. Thompson was cleaning the windows of his home, when he fell from an extension ladder to the ground, a distance of 25 feet. He received severe injuries all over his body and is in a serious condition.

BELMONT

Belmont, Nov. 15.—John Wau, while working on the new implement shed which Mr. Bert Thomas of Yarmouth is building, was standing on a scaffold which gave way. Mr. Wau was badly shaken up and had his right arm and side hurt. As he is an aged man, it will be some time before he will be able to work again.

Lo. E. Moore, who recently had a cancer taken from his hip in Victoria Hospital, has gone to visit his sister in Langton, where he expects to regain his health.

Otto Wintermute has moved into Mrs. Sinclair's house, which Mr. R. Taylor occupied until recently. Messrs. H. Copeland and O. Chivers returned last night after visiting Mr. Orville Reid of Comber.

For the average healthy man, engaged in ordinary work, 118 grams of carbohydrate, 33 grams of protein, 56 grams of fat, 50 grams of salt, and 3 liters of water has long been recognized as the ideal daily food allowance.
