Rheumatism, Neuralgia.

LONDON, ONT.

Friday, April 8, 1887.

every community regard it as a burning build two new schools houses, having shame, that the policy of caring for these poor people that was so wisely set on foot the Collegiate Institute. It is to be hoped shame, that the policy of caring for these poor people that was so wisely set on foot the Collegiate Institute. It is to be hoped by the Macdonald-Carling Administration has not been extended far enough to shield with its mantie those who are, for lack of room in the Asylums, condemned to dwell in the common galls, the companions of the rough and dissolute. It is only the poor and unfortunate who are thus compelled to linger in torture and neglect. The pelled to linger in torture and neglect. The richer class are carefully provided for by the State under the present beneficent erder of things. By payment of a small sum of money, a patient may be hand the State under the present beneficent at public competition, and only those order of things. By payment of a small adopted which show the wisest and most sum of money, a patient may be hand-somely provided for at the Toronto vanience of the children and their teach-Asylum, for the lack of which another is ers. If there is one subject more than sent to wall his or her life away smongst another on which there ought to be, and the vilest criminals. In that institution we believe is, a liberal public sentiment, it eight wards are s t apart for the accommo- is that with reference to improved school dation of paying patients, and the charge accommodations. for maintenance in them varies from six dollars to two dollars (or less) per week.

A DIFFERENCE, INDEED.

Any man or woman who can command. Occasion was taken a few days as Any man or woman who can command over the lesser sum is reserved and made welcome there; they have the best shelter and food, with expert medical treatment daily and nightly, and if their malady is position and that rancourous, obstructive

The Toronto News remarks:—Following remediable at all, they are given a chance line of action that the Grits have been parto improve and take their place again in the to. And what is true respecting the the world. But the poor man, who is a conduct of affairs at Ottawa is true also day laborer, for instance, who cannot do respecting those at Toronto, in the Ontario more than provide for a family of little Legislature. This has been handsomely children, who cannot pay in advance, as acknowledged by Mr. Mowat, and we find required, the sum "nominated in the Globe saying as follows: bond," has to stand by with aching heart,

Franged only by POND'S EXTRACT CO. look singular that while no seeming dif-still safe! ficulty is found in granting large sums for fair and other purposes, while the utmost generosity can be indulged in these matters,

the cry of the congested school districts abould go unheeded by the City Council.

But so it is. The Board might take the bull by the horns, and levy a special rate for school purposes; it is competent for them to do so. But having regard to the results of the competent for them to do so. But having regard to the results of the result THE GAOL AND THE INSANE.

The presence of so many lunatics in the common gaols of this Province has been a constant subject of indignant comment. Grand jurors have protested against such treatment of these unfortunates as a disgrace to our civilization and a source of lasting injury to a class of persons who, by timely curative agencies, might be helped back to health and usefulness in life. Judges have spoken upon it from the Bench, and the intelligent and humane of every community regard it as a burning shame, that the policy of caring for these ample facilities, and being graded up to the method so. But having regard to the grewing oppression of the rates for general by the Council, they hesitate to resort to unusual methods. Yet the necessity that is forced upon them of providing better school accommodations must be faced in some way. And hence the proposal to sell off the present Central School grounds, as follows:—

There re Her Mejesty, by and with the advice of the swild front he adversal commany, as follows:—

Whereas the London and Southe-asser in Rail-way Company, as follows:—

Whereas the London and Southe-asser in Rail-way Company, as follows:—
