News of the World Condensed For the Busy Reader

Death of Explorer

Cotton Oil Dividend NEW YORK, Nov. 5.—The directors of the American Cotton Oil Company, which has plants in sixteen different states, yesterday declared an annual dividend of 5 per cent. on the common

Helen Boyle's Appeal PITTSBURG, Pa., Nov. 5.—An appeal was filed in the superior court yesterday in behalf of Helen Boyle, asking for a reversal of her sentence of 25 years' imprisonment for completity to the behalf of the sentence of the sent of 25 years' imprisonment for com-plicity in the kidnapping of "Willie" Whitla.

Shortage in Cotton MEMPHIS. Tenn., Nov. 5.—The regular monthly report of the National Ginners' association yesterday states that 70 per cent of the entire cotton crop was ginned up to November 1, and that the Egyptian crop is 25 per cent short of what was expected.

Mrs. Maybrick's Suit RICHMOND, Va., Nov. 5.—Judgment of the lower court in the case of Abraham Acord against the Western Pocahontas Corporation was affirmed this afternoon by the United States circuit court of appeals. This is the case in which the Baroness Roques and Mrs. Florence Maybrick, her daughter, have fought so vigorously in the courts.

Mining Promoter Released CLEVELAND, Ohio, Nov. 5.—W. L. Russell, a Lima, Ohio, mining promoter, who was arrested last September on extradition proceedings brought by the Canadian government, was released today because of insufficient evidence against him. It was charged that Rus-sell altered mining reports and obtain-ed money under false pretenses.

For Immovable Easter BERLIN, Nov. 5 .- The general syn on an immovable date to be observed as Easter Sunday. This is proposed as a convenience to both the church and the public. Dr. Dryando, vice-president of the superior church council, said that the council had the matter under advisement.

Audience With King. LONDON, Nov. 5.—The King yester-day received J. R. Carter, the retiring secretary of the United States embassy, in a farewell audience at Buck ingham Palece. His Majesty express-ed regret at the departure of Mr. Car-ter, but congratulated him upon his prospects of being appointed minister from the United States to Roumania,

Servia, and Bulgaria. Decline of American Shipping NEW YORK, Nov. 5.—The chamber of commerce of the state of New York today debated at length the recently presented report of its committee on the decline of American shipping, but deferred action on the report until its next meeting. Lewis Hixon made an appeal for preference by American commercial interests for American shipping, and Senator Chauncey M. Depew argued for ship subsidies.

MONTREAL, Nov. 5.—Mrs. Graton died in January. 1908, leaving died in

oeuvres will begin today. They will be witnessed by the Emperor and also by Field Marshal Lord Kitchener and the military attaches of all the embassies. They will continue for five days.

Taft Gives Masons Flag.

CINCINNATI, Nov. 5.—A silk American flag, the gift of President Taft the troops necessary.

three sheepmen. Prosecuting Attorney Metz declares that the presence of nearly 200 cattlemen in Basin makes the troops necessary.

Gardens for Chicago's Poor.

CHICAGO, Nov. 5.—Four hundred needy families are to be put in the way of raising their own food on vacant lands in Chicago next summer, according to the plans of the City Gardens association. That the prospective gardeners may understand how to get the most out of their plots of ground when they take possession, the association will establish classes in gardening this winter and furnish instruction by lecture and demonstrations.

RESORTS TO REVOLVER

Toronto Young Man Makes Murderous Attack on Girl From Motives of Revenge

TORONTO, Nov. 5.—Enraged, it is allowed because she had tried to take

length to the city of Victoria, and the erection of suitable sub-stations and apparatus to carry out all things necessary for the proper transmission of power to the said city of Victoria, and in and throughout the area as defined in the Memorandum of Association of the company.

and the stringing of wires along the I was treated by six different doctors said poles not less than twenty feet from the ground; and, generally, the from the ground; and, generally, the construction of such further and other works as may be necessary for the complete carrying out of the aforesaid indertakings.

The waterpower so to be generated, and the electricity and power so generated, will be utilized to supply power chiefly to the British Columbia Railway company, limited, which operates the street railway system of the city of Victoria and adjoining and surof Victoria and adjoining and sur-rounding municipalities and districts, and also supplies public and private lighting, and all necessary and contemplated extensions to this system; it is also proposed to furnish power, heat and light for manufacturing, industrial and traction purposes throug out Saanich peninsula, and through-out the area authorized in the Memor-andum of Association of the company. The power will be developed by the use of Pelton Water Wheels, or by the best and most modern machinery and converted into electrical energy, and transmitted by copper or other wires to the required points of user.

TENSE INTEREST IN THE BUDGET VOTE

LONDON, Nov. 5.—The House of commons yesterday passed the third eading of the finance viil by a vote of 379 to 149.

The Nationalists decided to abstain from voting at last night's division on the third reading. The Un-ionists had hoped that the National-ists would join them in opposition to

the budget.

The scene in the house was a memorable one. Seldom had there been a larger attendance of members and peers, and the diplomatic galleries were crowded to their utthe budget.

most capacity.

Chancellor Lloyd-George, Premi Asquith and Mr. Balfour, leader of the opposition, all spoke during the even ing and there was tense excitemen throughout the session, all presen appearing to be imbued with the his

sentees, but apparently only two Liberals joined the Nationalists in

commercial interests for American shipping, and Senator Chaunce, M Depew argued for ship subsidies.
