By special request we abstain from giving the name of a well-known Canadian doctor, who was lately interviewed regarding Paine's Celery Cempound. He said: "I am aware-that your remedy is very popular with our Canadian people; indeed I often recommend it in cases of nervousness, sleeplessness, dyspepsia and indigestion. Knowing well the properties of the various ingredients of which it is composed I can speak confidently of its merits and powers. Physicians who speak against it know nothing of its worth and decive when they decry its value. Of course some doctors have not the courage of their convictions and will not speak of it, as they are afraid of being ostracised by the profession.

are atraid of being ostracion by the profession.

"I honestly think we physicians should at all times speak truthfully to our people, regardless of opinion. Be assured I will always say a word in favor of Paine's Celery Compound, as it is the only reliable preparation I know of for the weak, nervous, sleepless and dyspeptic. I have been prescribing it for over a year with success."

Laid at Rest.

The funeral of Mrs. A. T. McCord, who died on Sunday last in the fulness of years, took place yesterday afternoon from her late residence, 82 Gloucester-street. Rev. John Burton, pastor of the Northers Congregational Church, at which the deceased had worshipped for a number of years, conducted the service at the house, assisted by Rev. William Hay of Scotland. The latter gentleman had been a life friend of Mrs. McCord, having been an intimate acquaintance for the past 50 years. During the course of a few feeling remarks, he referred briefly to this fact. Lewis Reford, Captain Meiville, Mr. Lesile and Mr. Hamilton acted as pallbearers. The interment took place at Mount Pleasant Cemetery.

Leaf by leaf the roses fall;
One by one our dear ones die.
O, to keep them with us still!
Loving hears send up the cry.
Wife and nother, O how dear,
Fading like a mist away.
Father, let us keep them here,
Tearfully to God we pray.
Many a wife and mother, who seems doomed to
die because she suffers from diseases peculiar to
women, which saps her life away like a vampire,
and baffles the skill of the family physician, can
be saved by employing the proper remedy. This
remedy is Dr. Fierce's Favorite Prescription, the
greatest befor ever conferred by man on weak,
suffering, despairing women. It is a specific for
all phases of female weakness, no matter what
their name.

THE C. P. R. HAS SURPRISED AND astonished the world—and has been a widespread and powerful advertisement for Canada. Its unquestionable success should for ever shut the traitorous mouths of the "blue ruin" clique. The next wonderful success for Canada will be the growth of her cattle trade. In a few years our Northwest will teem with cattle as it for nerly did with the mighty buffalo. This overflowing surplus will seek the best hipping point for England—and it should be secured for Toronto.
